

EDUCATIONAL REPORT

On

MBCN

22/09/2017

We had visited MBCN (Mata Bhagvanti Chadda Niketan School) with our Diploma students Batch 2017-19. School is situated in Noida sec-132.

School have four wings

- Junior wing
- Academic Wing
- Pre-Vocational wing
- Vocational wing

There is a teacher Mrs. Chamoli who was explaining all about the School facilities. There Photography was prohibited.

This school is working for all kinds of children. There were different sections like

- Special Education
 - NIOS (10th /12th)
 - Physiotherapy Department
 - Occupational department
 - Speech Therapy
 - Yoga Classes
 - Co-curricular Activities
- And all these facilities provided to special children without any cost.

In Junior Wing section students of age group 3 to 12 years old.

We saw lots of activities in this section like

- Vision stimulation
- Hearing stimulation
- Sensory issues
- Fine motor skills
- Gross motor skills
- Socialization

They have pre –vocational and vocational set up also.

This visit provides our students a different exposure and experience.
