

DIWALI FATE

On the auspicious occasion of Diwali, a fate was organized at Ashtavakra Institute of Rehabilitation Sciences & Research 27th October 2016 , commemorating the return from exile of the hero of the Ramayana, Lord Ram. The fate was inaugurated with traditional lamp lighting by Mrs. Pritpal Khurana (Dean Academics, AIRSR), Mrs.Sanjana Mittal (Senior Coordinator, AIRSR) and Mrs. Meenu Jain (Principal, Ashtavakra School)

There were stalls for food, games, Tattoos, Nail Art, Mehendi, Hand made Diyas and Candles and other decorative items for Diwali.

But it wasn't all work from students. There were various games which attracted the attention of the students and faculty members. There were seven games (Ring Rong Ring, Place the coin in the Bucket, Light the Candle, Break the Pyramid, Placing Different Color Balls and Finding One Rupee Coin in 30 seconds, Lucky Draw).

The campus was lightened by lot of diyas and was decorated with balloons and crap papers.

The Rangoli competition was also there and the pretty rangolis made by the college students further beautified the event. The prizes for the best Rangoli and best Stall was given on the same Day.

Well, the ending was nice, students enjoyed great food, fun games and foot thumping music on the occasion of Diwali.
