

AIRSR Celebrated Delhi Police Raising Day !!!

Delhi police Day was celebrated in Ashtravakra Institute of rehabilitation sciences and research on 16th February 2015. A presentation was given by the senior coordinator, Mrs Sanjana Mittal of AIRSR in which she briefed about the contributions made by The Delhi Police in keeping itself abreast of the latest technology which aids its efforts in fighting crime, protecting and serving the citizens, and, keeping a strict vigil on anti social elements. She explained about the path breaking innovation launch of a web and mobile based App for lodging of 'lost' report, Himmat app, an initiative for women safety, SMS alert transmitted simultaneously by the police control room etc.

She also outlined on **the theme of the year "Nari Shakti"**, the new initiatives and strategies for prevention and detection of crime, safety tips to help women in times of crisis, traffic management based on the four pillars of education, regulation, enforcement and road engineering(ERER)

The presentation was informative and fruitful. An open discussion regarding the same was the main attraction of the day.
