

EARTH DAY 22ND APRIL 2016

Earth day is an annual observance held on 22nd April every year to increase public awareness on the environment. Earth day activities offer important point of entry to address worldwide environmental concern.

The student of Ashtavakra Institute of Rehabilitation Sciences & Research took an initiative to plant trees near their campus. Mrs. Sanjana Mittal Sr. Coordinator of AIRSR discussed about some of the important ways to conserve environment like use of jute bags instead of poly bags, plantation, conserve water, use of public transport etc. The event was all together very informative. She also shared some of the alarming facts and figures related to environment
