

World Disability Day

World disability day is celebrated on 3rd December every year to celebrate the ability of the special children. To show their strengths, their power to achieve something in life.

A great event was held at Tecnia Auditorium for celebrating ability or strength of our special children. The whole event was conducted by the Ashtavakra Institute of Rehabilitation Sciences & Research. The event was started by the motivational speech of Mr. Ram Kailash Gupta , Chairman of Tecnia Group Of Institutions and by the Lamp Lighting. Dr.Anmol Arora also shared his views.

Then the event started with performance by our special children of The Ahtavakra School on Ganesh Vandana. Not only the students of The Ashtavakra School and The Ashtavakra Institute Of Rehabilitation & Research took part in this event ,various other schools also took part in this whole Heartedly to celebrate the ability of Special children .There were many performances like singing, dancing and a beautiful skit on spreading awareness about disability and showcasing their strength and abilities. Even many food stalls are also there and the game stalls too.

Every part of the event highlighted the great strength of the special children. The event was a great success.
