5 PSP, Institutional Area, Madhuban Chowk Sector-14(Ext), Rohini, Delhi-110085

Event: - World White Cane Day

Convener: - Mrs. Sanjana Mittal Deputy Director (students welfare, AIRSR Nodal officer-NSS)

Co- convener: - Mr. Sandeep Upadhyay (HOD) Mr. Ramtirath Prajapati (co-ordinator) and Mukesh Kumar Bagri (Faculty) of Visual Impairment Department

Participation: - students of Visual Impairment and Deaf Blind

Timing: - 09:30AM to 12:30AM

Learning objective:-

1. To aware students about the World White Cane Day.
2. A white Cane Day used by a blind person, aids its user to scan their surroundings for obstacles or orientation marks.
3. Cane also helps other traffic participants in identifying the user as blind or visually impaired and taking appropriate care.
4. The mission of White Cane Day is to educate the world about the blindness and how the blind and visually impaired can live and work independently while giving back to their communities.
5. Celebrate the abilities and successes achieved by the blind people in a sighted world and to honor the many contributions being made by the blind and visually impaired.

Report on White Cane Day

Focusing on the theme of the day, Ashtavakra Institute of Rehabilitation Sciences and Research 15th oct. 2019 the rally was organized by students of D.Ed SE (VI) and D.Ed SE (DB)

The rally was initiated by Dr. Anmol Arora (Medical Director,) AIRSR and Mrs. Sanjana Mittal (Deputy Director), AIRSR along with all the faculty members of Deaf Blind (DB) and Visual Impairment (VI).

Mr. Sandeep Upadhyay (HOD) Mr. RamTirath Prajapati and Mukesh kumar Bagri Visual Impairment department motivated the students in the rally to raise the slogans, perform nukkad natak , posters and slogans. Starting from the institute the students marched to 'Saroj Hospital' raising slogans of 'White Cane Day'. In front of Bagwan Mahavir Hospital some students of VI department performed a Nukkad Natak which helped by passers to get knowledge about blind people and their world of hopes and lights which awarded them that they should make the blind persons independently . After performing Nukkad Natak all the students started to move toward our institute via Tecnia Auditorium, Bal bharti School and Siddhi Vinayak Mandir. There after a small workshop was held under NSS. The cane was invented by '**RICHARD EDWIN HOOVER**' who was an American teacher of mathematics and physical education at the Maryland school for blind. He invented the cane in 1945 after World War II to support the life of those soldiers who got blind during the war.

Program Outcome

- All the students, faculty and staff member took Pledge to help blind person.
- All the students, faculty and staff members Pledged to preserve the help and security of the visually impaired person.
- All the students, faculty and staff members came forward to ensure and convey this message to establish perfect society for the help of blind's person
