An awareness program on Covid -19 Protocols under the Unnat Bharat Abhiyan was conducted by B.ed students, on 29th January 2022. During Covid-19 crisis and lockdown extensions, it has become very difficult for many villages to earn and run their daily needs. With reference to this, UBA institutions across the nation are coming forward as helping hands to many and setting examples for how the determination to serve is stronger than the crisis. The students of ID department showed immense enthusiasm and took various initiatives in their own creative ways to spread awareness of Covid -19 Protocols among the rural people.

The event commenced by a small presentation on the the significance of **Unnat Bharat Abhiyan** and how it is helping to reach out to masses for sustainable growth and development. The students showed their creativity by making informative videos on '**Different ways to Prevent Covid**'. Our students were able to pass a very strong message in very light mood by sharing their Videos, Podcasts etc. Activities like "**How to make Home-Made masks**" gave a lot of insight to everyone. The students prepared Posters to spread their message of "**Stay Safe, Stay Indoor**".
