## Learning Objectives:

- To create Awareness of Library Services and Open Resources
- To create effective online methods to support teachers and students, in terms of quality, technology and retrievability of Open educational Resource.
- To raise awareness for the potential of webinars as a tool for open online learning

## Report

the programme began with a welcome address presented by **Puru Gola (Assistant Librarian) AIRSR** Thereafter **Ms Aashi Rastogi (Librarian)** shared the library resources available for the students like Delnet, Journals etc.

It was proceeded by the session of **Dr. Anil Jharotia (librarian)**, **Ms shikha verma (Assistant librarian)** and **Dr. Dharmendra Harit (Librarian)**. **Dr. Anil** elaborated about better library services for users. He said that Library is the heart of an institute so library staff should provide best library services to students as well faculty members. **Ms Shikha Verma** talked about advanced e-resource. **Dr. Dharmendra Harit** (Librarian of Dr Akhilesh Das Gupta Institute of Technology & Management) had delivered a lecture about Open Resources. He described about National Digital Library of India and other open access resources for users.

The webinar was attended by 110 attendees comprising of students, faculty and library professionals from colleges The Webinar was well coordinated and well received by the attendees. **Dr. Anil Jharotia and Dr. Dharmendra Harit** answered to all the questions and doubts asked by attendees. The webinar ended with a vote of thank.

## Learning Outcome:

- The students and faculty members were awared regarding e- resources.
- The participants were awared about digital resources and software available, as learning resources for the students
