**Event:** - Community Based Rehabilitation (CBR)

**Convener:** - Mr. Sandeep Upadhyay

**Participation:** - Students of B-Ed SE

**Date-** 23/04/2022

**Timing:** - 9:00 AM to 12:00 AM

**Learning objectives:**

1. To aware the slum people about the disability/ disease/ various condition.
2. To aware the students about CBR programs.
3. To aware the parents about the various Govt. schemes available for people with disability.
4. To aware people about the various facilities available for children with special need.

The students gathered at a point near west enclave .The students were divided in Six groups headed by one leader. The students went in different groups to different blocks and surveyed door to door to find out disabled population available .The students in each group were able to identify children with special need . The students of AIRSR filled the forms after taking permission and completed the questionnaire the students made the family aware about the policies for differently abled. Some people were reacting in a positive way, some people were ignoring this by avoiding and were against this. They were told about the early intervention therapies, programmes, rehabilitation centers and the Ashtavakra special school.

After completing the survey in the stipulated time the students again recollected at the allotted time and returned back with the gathered data .

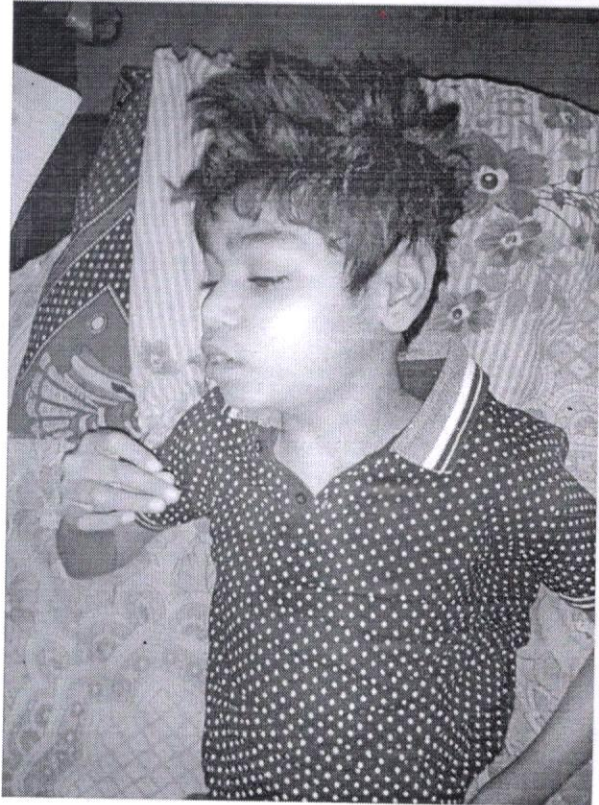

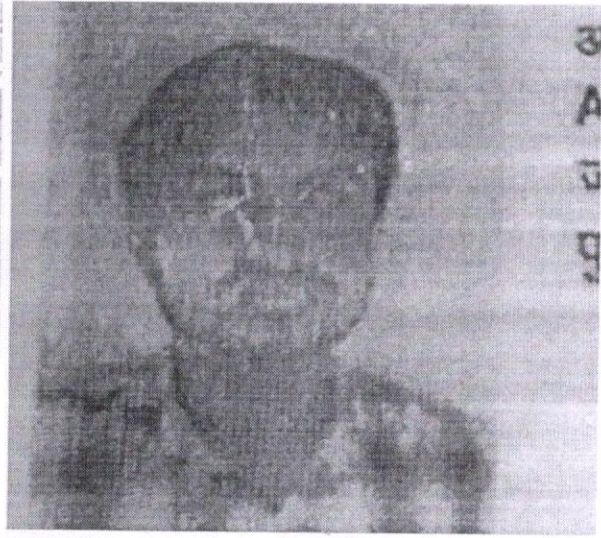

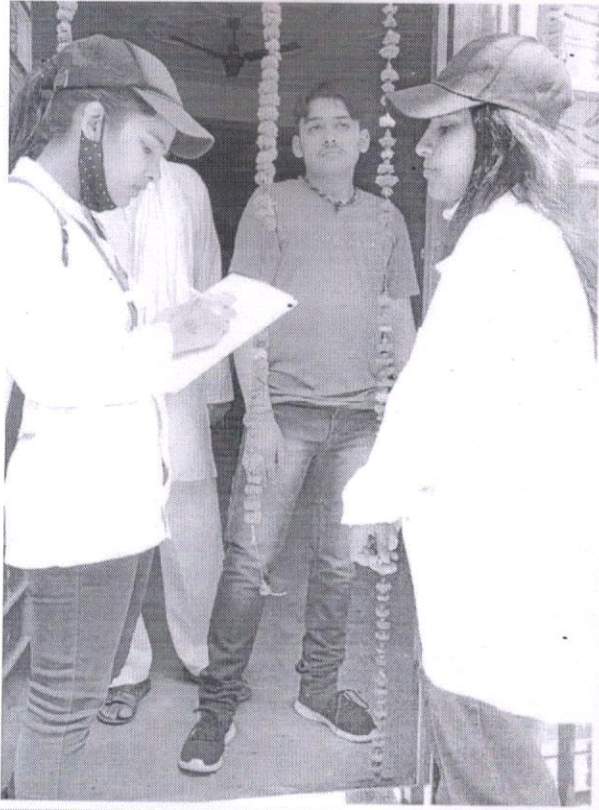

**Learning outcomes:**

1. All the students were able to aware slum people about the disability/ disease/ various condition.
2. All students provided the knowledge about the rehabilitation services.
3. All the Students were able to identify CWSN and aware them about early identification.
4. All the students were able to give a brief about the facilities available for children with special need.
