Convener: Mr Jitender Srivastava Asst. Professor (HI Dept.)

Date: 3rd Friday, March 2023

Venue: AIRSR Basement

Number of Beneficiaries: 100

Learning objectives:

1. To spread awareness among students and staff for Health and their related benefits.
2. To encourage students to lead a Healthy life.
3. To encourage them to understand the benefits of Balanced diet and physical training.
4. To let them understand the benefits of regular Health Check-ups.

Event Report

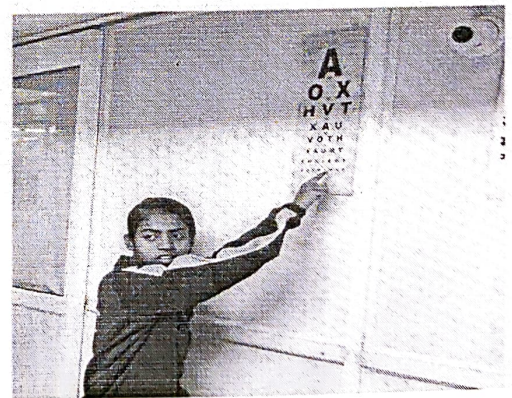

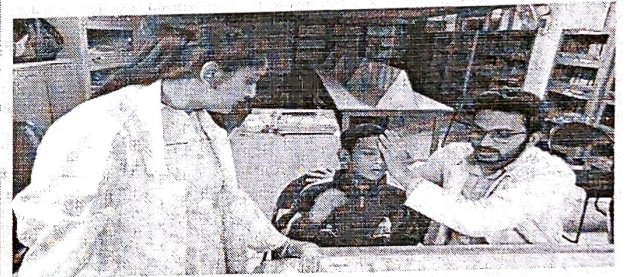

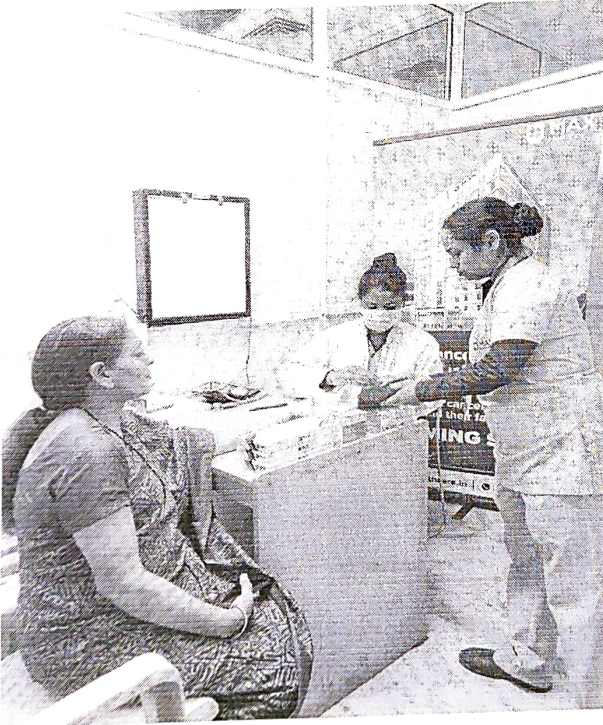

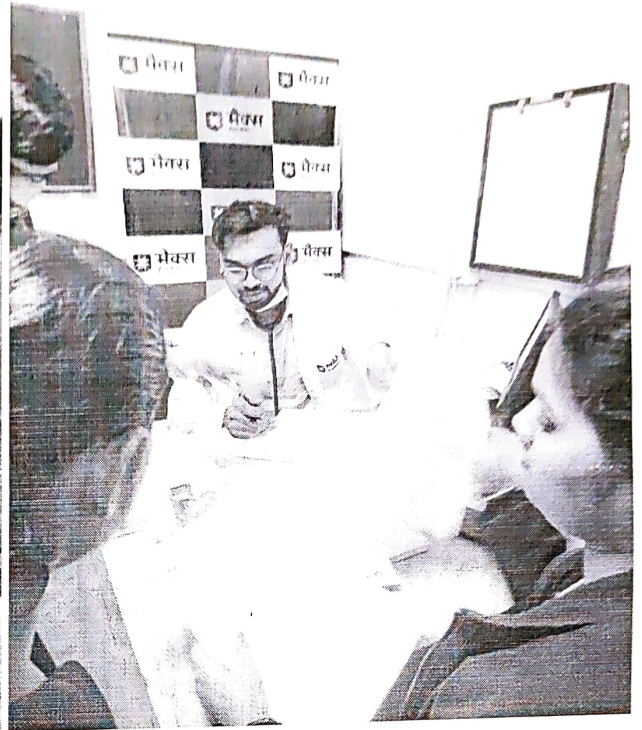

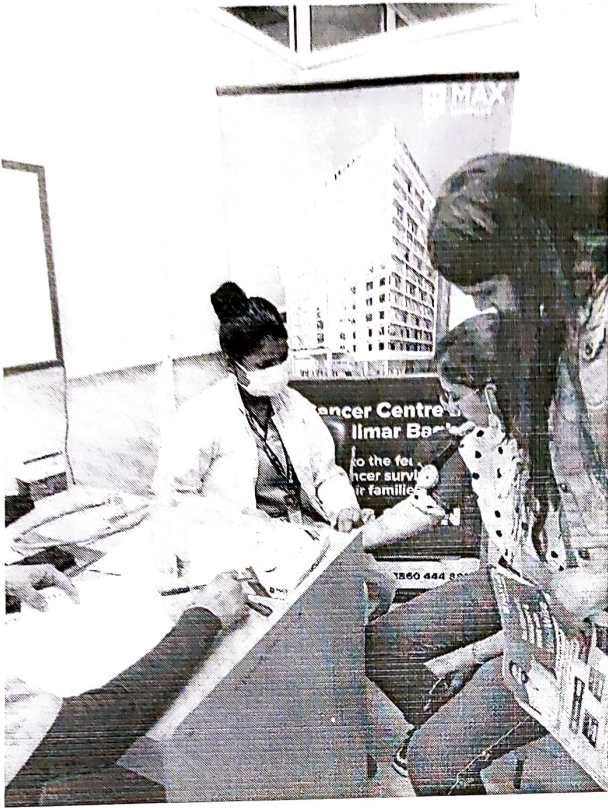

Healthcare is a basic right of a human being and that should be available for everyone. Free medical camps are initiated to bring awareness amongst the society about the importance of Health and their related benefits. One can live longer and healthier life only when the individual gets the right kind of health check-up, screening, and treatment at proper time. Even the most basic check-ups can identify underlying illnesses. The medical camp was organised by the group of professionals and their individualized teams. Free medical camp comprised of the following tests Blood Pressure, Sugar testing, Eye testing, Dental check-up. A Bone mineral Density (BMD), ECG and General Physician was also available. The Ashtavakra School students and trainees of the institute underwent tests available in the camp.

Learning outcomes:

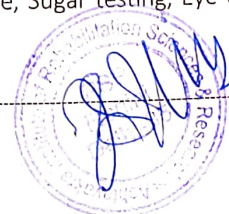

1. All the participants were able to understand the importance of Health and their related benefits.
2. All the participants were able to understand the importance of Medical camps in the society.
3. All the participants took the pledge to take the regular Medical health check-up in their life at least twice a year.
4. All the participants actively took benefits of the camp.

Glimpses of the Medical Camp

Dr Ashkah Kunnanath along with the paramedical staff during the Blood Pressure, Sugar testing, Eye testing, Dental check-up, Bone mineral Density (BMD) and ECG test.
