### Objective of the Conference:

- To aid in materializing the vision of transforming India into a vibrant knowledge society.
- To discuss the required regulatory reforms, faculty upgradation and student flexibility integral to effective implementation of NEP.
- To encourage educational processes involved in NEP.
- To stimulate exchange of information among professionals that engage and disseminates such information.
- To create an ecosystem for multidisciplinary education, research & funding.

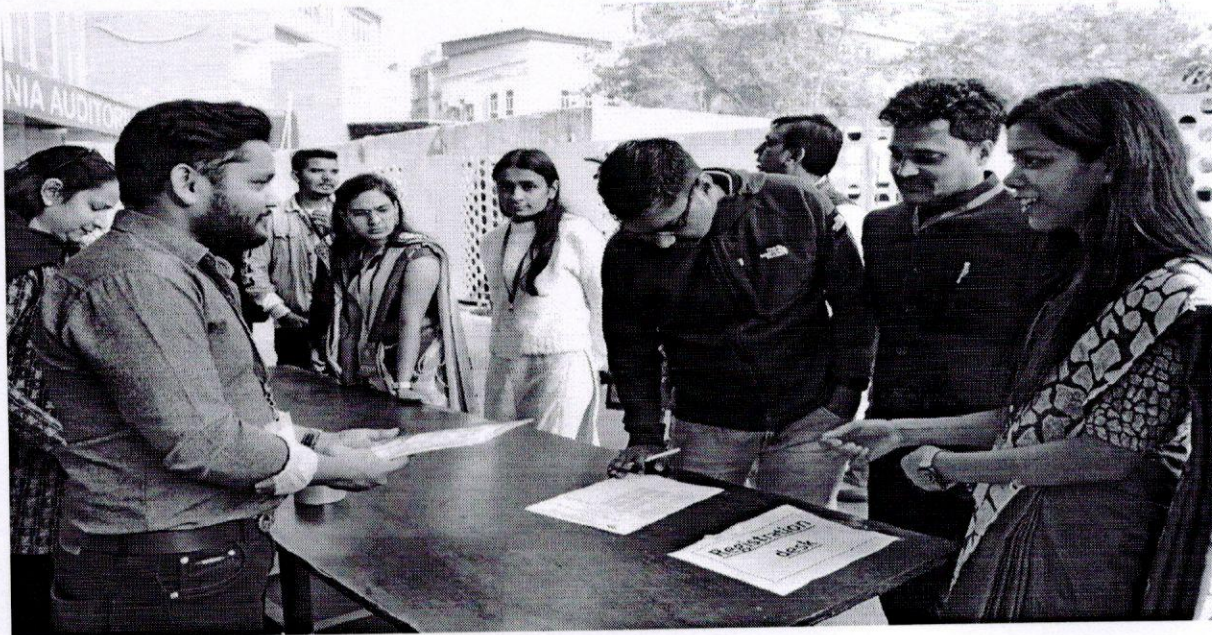

## REPORT

16<sup>th</sup> February 2023 evidenced the accomplishment of 10<sup>th</sup> National Conference organized by Ashtavakra Institute of Rehabilitation Science & Research on the topic “ Changing Dynamics and Transformation in the field of Special Education in context to New Education Policy” at Tecnia Auditorium, Madhuban Chowk, Rohini, Delhi .This 10<sup>th</sup> National Conference provided an appropriate platform to all academicians, intellectuals, researchers, professionals etc. for capturing and sharing expertise on the concept of NEP. They had a discussion on New Education Policy. Apart from this there was focus on available New Education Policy Processors and current available knowledge to improve New Education Policy on Changing Dynamics and Transformation in the field of Special Education. The conference provided a learning platform to all participants (Professional delegates as well student delegates) across rehabilitation and disabilities. There was also a discussion on educational modification & academic struggle among NEP users.
