Event: An Awareness program on "Say no to Plastic: Single use Plastic"

Convener: Mr Jitender Srivastava Asst. Professor (HI Dept.)

Date: 20th Tuesday, December 2022

Venue: Conference Room no. (101)

Number of Beneficiaries: 30

Learning objectives:

1. To spread awareness among students about Single Use Plastic;
2. To encourage students to use Bio-degradable products.
3. To encourage students for not using the plastic based products.
4. To educate students regarding the various health, environment and other related problems associated with the use of plastic products.

Event Report

Mr Jitender Srivastava, Asst. Professor (HI Dept.) along with their students visited the nearby area of Rohini Sector 14 and distributed the paper made envelopes and handmade bags which were totally Bio-Degradable . The students created awareness regarding the harmful effects of single use plastic and non-Bio-Degradable products. The students and people in the nearby areas took the pledge to use the products which are eco-friendly at home and workplace. The program was very fruitful.

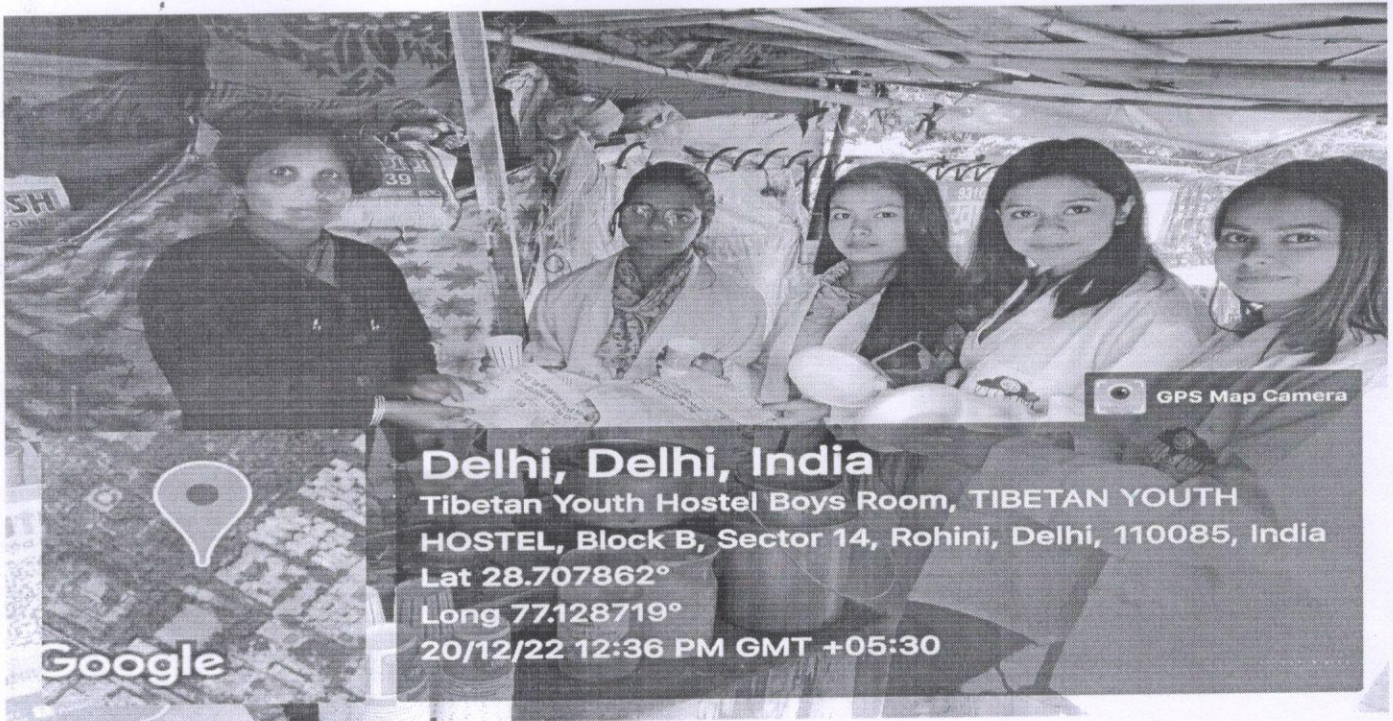

Learning outcomes:

1. All the students explained not to the use of single use plastic.
2. All the students distribute the paper made envelops and handmade bags which were totally Bio-Degradable.
3. All the students took the pledge to use the products which are eco- friendly.
4. All the students actively participated in the event.
