Report: Description in (min 250 to max 800 words)*

Blaz

The presentation aimed to provide a comprehensive understanding of intellectual disability its impact on individual and the importance of fostering inclusive environment. The primary objectives were to clarify the definition of intellectual disability, its causes and types and legal and ethical consideration.

The event was started with the introductory speech of Mr. Dinesh Bindal incharge of Journal Club. He highlighted following points in his presentation:-

- Definition and diagnostic criteria of ID:- clearly defined intellectual disability and outline the diagnostic criteria.
- Differentiation from other disabilities:- highlighted distinctions between intellectual disability and other types of disabilities.

Ms. Sanjana Mittal Deputy Directory highlighted causes and types of intellectual disability. She explored various factors leading to intellectual disability, including genetic and environment influences

Ritika student of B.T.D. SE II discussed the legal rights and responsibilities of individuals with intellectual disabilities. She also provided an overview of relevant laws and policies.

The presentation concluded with an engaging question and answer session, allowing the audience to seek clarification and share their perspectives on the topic.
