Report: Description in (min 250 to max 800 words)*

On 5th Feb.2024, Ashtavakra Institute of Rehabilitation Sciences and Research organized an educational visit for B.ED SE HI students to National Institute of Speech and Hearing Disability (Divyangjan), CRC in Noida . The purpose of the visit was to enhance the students' understanding of Educational Objectives and provide them with practical insights into special education.

The chosen destination for the educational visit was National Institute of Speech and Hearing Disability (Divyangjan), CRC in Noida. This location was selected due to its relevance to the curriculum and its potential to offer valuable learning experiences.

The main objectives of the visit was following:-

To supplement classroom learning with real-world examples and applications.

To expose students to clinical facilities related to their academic studies.

To promote interactive learning and foster a deeper understanding of class observation and clinical setup

Educational visit was under the supervision of the Ms. Radha Rawat (HOD HI Dept.). She facilitated the students in the visit by highlighting them the importance of school visits which further followed up to visiting each class and clinical facilities of the Institute.

AYJNISHD(D) is a autonomous institute under the department of Empowerment of Persons with Disabilities, Ministry of Social Justice and Empowerment. Its objectives is to manpower

	development, Community Programs, offering certificate courses etc. Students were further guided by the Mr. Amarkesh Mahendru about the clinical facilities and how the institute works in the rehabilitation of the hearing impaired children. In this visit student visited speech room where the different speech test and their formats were explained and they also visited the Audiology room. In Audiology room different audio logical assessment were explained by Mr. Amarkesh Mahendru. The students experienced and observed how different assessment were performed on the children.
