“अष्टावक्र”

एक ब्राह्मण ऋषि - राजगुरु

ज्ञानं इच्छेत् अदाशिवान् ।
मौखं इच्छेत् जगद्गवान् ।

One day, kahola, father of Ashtavakra was reciting the Vedas but he pronounced it wrongly. Embryo informed Kahola that he had pronounced the syllable wrongly. Kahola cursed the fetus with eight deformities of the body. When the baby was born, it was crooked in eight places - the two feet, the two knees, the two hands, the chest and the head). He was named Ashtavakra, which means "one having eight bends".

Once kahola went to Janaka's court and challenged to a scriptural debate. There Vandin easily defeated Kahola and immersed the vanquished Kahola in under water. When Ashtavakra was twelve years old, he came to know the truth about his father Kahola from his mother. He decided to confront Vandin. Ashtavakra defeated Vandin in debate. Vandin then revealed that he was the son of Varuna (the Lord of all water bodies). Varuna brought all the sages to surface.

In the presence of Sujata, Kahola asked Ashtavakra to bathe in the river Samanga. When Ashtavakra entered the river, all his crooked limbs became straight.

एक दिन अष्टावक्र के पिता कहोड़ वेदों का उच्चारण करने में गलती कर रहे थे। गर्भ में उपस्थित अष्टावक्र ने पिता को उनकी गलती का अहसास कराया। पिता ने क्षुब्ध होकर अष्टावक्र को श्राप दे दिया कि तू आठ जगह से टेढ़ा हो जायेगा - दो हाथ, दो घुटने, दो पांव, सीना और सिर। उनके नाम का अर्थ है आठ मोड़ वाला।

एक बार वंदिन नामक दानव राजा के दरबार में गया और शास्त्रीय वाद-विवाद के लिए राजा को ललकारा। वंदिन कहोड़ ने राजा को आसानी से पछाड़ दिया और उन्हें पानी के सागर में डुबा दिया। तभी अन्य सभी साम्राज्य के राजाओं द्वारा भी इस विपदा का हल नहीं निकल सका। 12 वर्ष की अल्प अवस्था में अष्टावक्र को अपनी माता से इस गाथा के बारे में पता चला। अष्टावक्र ने वंदिन कहोड़ को वाद-विवाद में परास्त उन्हें मात दे दी। तब वंदिन ने भेद खोला कि वास्तव में वह भगवान वरुण (जल देवता) के पुत्र हैं। भगवान वरुण ने उनकी ताकत, निर्भयता एवं बुद्धिमत्ता को पहचान कर उन्हें आठों अंगों की विकलांगता से मुक्त किया तथा राजा जनक ने अष्टावक्र को अपने राज्य का राजगुरु मनोनीत कर राज्य पर आए हुए संकट एवं विपदा को दूर किया और राज्य में रामराज्य स्थापित किया।

यह भवन स्वर्गीय लाला मनीराम गुप्ता एवं स्वर्गीय शान्ती देवी की स्मृति में उनके पुत्र श्री राम कैलाश गुप्ता एवं पुत्र वधु श्रीमती कुसुम गुप्ता के द्वारा स्थापित किया गया है।

Deputy Director's Message

Greetings and a very warm welcome to Ashtavakra!

Stellar accomplishments expand the frontiers of knowledge and scholarship every day. We are living in the era of information and rapid advancement of technologies. In this era of Globalization of education the obvious focus is on the quality of education. Today the World is becoming a global village and knowledge is the synonym of success. I believe that the successful learners are those who are encouraged to have high aspirations and believe that they can achieve best in their curriculum and co-curricular spheres.

"Time and Tide wait for none". The yet another issue of Ashtavakra magazine for the year 2022-23 is here to immortalize the memories of an eventful session. The present journal is a colourful bouquet of literary activities and achievements of the institute. The college magazine is a true reflection of the efforts and contribution of the staff and students in academics, sports and co-curricular activities.

There is no single yardstick of quality. A good educational institution strives continuously for sustenance and enhancement of quality in every field of its activity.

At Ashtavakra the guiding vision and mission is to pursue excellence constantly in all its endeavors while providing world class education to its students and producing professionals who can serve to reduce the mismatch between the availability and demand for skilled human resources. As Ashtavakra works diligently to realize its mission of providing the best learning, teaching and research opportunities to students and academicians alike, it continues to supply students with the basics of modern knowledge and high values.

The research activities of our faculty lead to an extraordinary enrichment of the experience of our students that is realized at both the graduate and undergraduate levels. The research training provided to our graduate students creates the next generation of scholars well-prepared to advance knowledge and transfer technology. The extension of research opportunities to an ever-increasing group of undergraduate students adds a dimension of experience to the rigours of new discovery, and acquire skills of inquiry, evaluation, and communication that provide a foundation for the next phases of their careers and lives.

Amongst students' creativity, collective work and competition domestically and regionally thrive. Ashtavakra stands committed to the practice of academic freedom and encourages cultural diversity as it continues to attract students and faculty. Ashtavakra is a top-tier Institute in the field of Special Education that boasts a culture of academic excellence, scientific breakthroughs, and high-tech innovation. I would ask you to take advantage of this great opportunity and join us in our endeavour to actively contribute to the overall improvement of this increasingly globalized society.

Our visualization for tomorrow are learners who have acknowledged the potential of the advancement and diffusion of knowledge as the only guardian of the future- a tool which will assist them in shaping their tomorrow into a blissful merger of ethics and responsibilities towards global digital advancement.

GGSIPIU/VCO/2023
3rd October, 2023

MESSAGE

Dear Members of the Ashtavakra Institute of Rehabilitation Sciences and Research, I am delighted to extend my warmest greetings to all of you as you embark on the creation of this year's annual magazine.

The Ashtavakra Institute has consistently demonstrated its commitment to excellence in the field of rehabilitation sciences and research, and I am immensely proud of the progress and accomplishments you have achieved. It is a matter of pride for us at GGSIPU that you are one of our affiliated colleges, working in the field of disability for the welfare of the specially abled and are committed to develop the specialized human resource for the welfare of persons with special needs and are also committed to research in the rehabilitation sector for the welfare of differently abled people.

I am sure the magazine will reflect the commendable work being done at the Institute. This magazine will surely be a testament to your hard work, dedication and the invaluable contributions made by your faculty, staff and students. I do hope it does serve as a platform to showcase your innovative research, the impactful rehabilitation initiatives and the inspiring stories of individuals who have overcome adversity with the help of your services.

In a world that constantly evolves, the field of rehabilitation sciences plays a pivotal role in improving the lives of countless individuals. Your unwavering dedication to advancing knowledge, providing compassionate care and fostering inclusivity is commendable.

I am sure the magazine will serve as a source of inspiration and motivation for all who read it. My best wishes to the editorial team and all those involved in bringing this magazine to life. Your efforts in curating meaningful content are truly appreciated.

I look forward to seeing the Ashtavakra Institute of Rehabilitation Sciences and Research continue to thrive and make a positive impact on society. Together, let us push the boundaries of knowledge, compassion and rehabilitation.

Wishing you all the very best for this endeavour and for the bright future that lies ahead

Ashtavakra Institute of Rehabilitation Sciences & Research (AIRSR)

Ashtavakra Institute of Rehabilitation Sciences & Research was established in year 2009 and is approved by Rehabilitation Council of India. The Institute aims to provide trained and qualified personnel in the field of Special Education to meet the requirements of pupils with Special Educational needs.

With a contemporary approach to study, work and innovation, AIRSR adapts to educate professionals in the field of Special Education to meet the global demand.

True to our slogan "Rehabilitating Together" we combine academic study with practical experiences to deliver useful courses to help drive you towards your career goals.

It has a team of highly qualified staff members and specialists in various

disciplines. The Institute is a super specialized Centre where children with orthopedic impairment, hearing-impairment, vocal impairment and mental retardation are given special education and training at its special wing 'The Ashtavakra School'. The ultimate goal of the institute is to integrate these special and challenged children with the general community as equal partners, to prepare them for normal growth and to enable them to face life with courage and confidence, the institute aims to develop the maximum potential of the child with special need to enable them to become self-reliant and shall gear them towards opportunities for a full and happy life.

The plan what we envisaged is to impart higher educational courses and vocational courses through its special wing where the pupils could opt for a rewarding career as a Rehabilitation Professional.

Post Graduate Courses Offered

1. B.Ed Special Education (ASD)
2. B.Ed Special Education (HI)
3. B.Ed Special Education (ID)
4. B.Ed Special Education (LD)
5. B.Ed Special Education (VI)

B.Ed. Special Education (Autism Spectrum Disorder)

Ashtavakra Institute of Rehabilitation Sciences & Research

Career Oriented Courses

The Institute's strong research and affiliations ensure course material are always up to date and relevant to what's happening in the real world.

High level of professional accreditation

Ashtavakra Institute of Rehabilitation Sciences & Research places a strong emphasis on professional accreditations, hence the courses meet the needs of industry and professional organisations.

Balance of Industry and practical learning

Nearly all courses have practical components, so you will have plenty of opportunities to gain hands-on experience in real life situations through case studies or practical work in our state-of-the-art facilities.

Teaching students skills for life

You will be encouraged to adopt an independent, critical and analytical approach to each subject area. We encourage students to monitor new developments and to be adaptable to lifelong learning.

Industry trained academic staff

Our industry trained academics are in touch with the professional world and help provide you with the best possible resources to succeed in your studies.

Class I - VIII
Class X-XII (From NIOS)

Ashtavakra School, a special school meant for serving differently abled. The foundation stone of this Institute was laid down by His Holy highness Sri Sri Ravi Shankar ji, (Founder-Art of Living Foundation) on 28th March 2008. The school has been dedicated to Lala Mani Ram Foundation, which is running under the Chairpersonship of Smt. Kusum Gupta, a kind hearted and firm lady. The Chief Patron of the Institute is Shri R.K. Gupta, a well-known philanthropist and an ideal visionary. The Institute aims to provide education to differently abled children from Pre-primary to senior secondary level. The School is a model training school created solely for the purpose of making each special child a responsible citizen. Our main motto is to achieve full productive and equal participation of differently abled children / adults living in the society/community.

best suits the child specific need. We at School for Handicapped ensure creative training procedure and also provide children with vocational training in order to enable them to become economically independent and self reliant.

Method of Teaching

The teaching method are adapted to the requirement of children, therefore the child learns in an environment which is free from fear and pressure. At The Ashtavakra School, all the teachers are specially trained and equipped to give their best services to the child and the individual attention in a classroom situation takes care of their personal and social development. As the main aim of a special educator is to make the child independent according to his capacity, the concepts which have functional use are applied. Training is given according to the level of the individual child ability and therefore a curriculum is designed which

9th National Conference on "Strategies and Challenges for Promotion of Inclusion"

18th & 19th November 2022

Tecnia Auditorium, Madhuban Chowk, Delhi

The conference was inaugurated in the august presence of Dr Ram Kailash Gupta; Chairman Tecnia Group of Institutions, Dr Mukesh Gupta; Founder of Vision group of institutions and ZCC member of Rehabilitation Council, Dr Swati Sanyal; Course Director, Durga Bai Deshmukh College, BRA, Delhi University, Dr Saurabh Malhotra; Dean Academics of Safalta Group and CBSE Expert, Dr Mohd Fajjullah Khan; Faculty of Special Education, Jamia Millai Islamia, Delhi, Ms Sanjana Mittal; Deputy Director, Ashtavakra Institute .

The presence of dignitaries, an impressive lineup of scholars from across the nation, an array of carefully selected and well researched and well presented papers on the subject, all came together to help team Ashtavakra to admirably conclude the huge endeavor. The conference was without a shade of doubt, made the academic fraternity richer, with the additional literature

in form of scholarly works on the subject. This two day event offered opportunities to the participating audiences to interact with academicians, scholars and expert from all over the India. The two days conference comprised of incisive and insightful discussions on various facets of the issue of inclusion as reflected and refracted through the prism of Strategies and challenges for promotion of inclusion. The views expressed and explored on this platform by the resource persons and paper presenters made the audience rethink ideas which we cling on to unthinkingly in our day to day life. The valedictory address of Ms Sanjana Mittal offered an apt conclusion to the conference with specific summing up of the theme of the conference and the acknowledgment of the efforts of social educators.

Cultural club celebrates and embraces the rich diversity of cultures within our school or community. We believe that understanding and appreciating different cultures not only fosters mutual respect but also creates a vibrant and inclusive environment for everyone. Our club aims to promote cultural awareness, share traditions, and create opportunities for cultural exchange.

- Festivals and Celebrations:
- Language Workshops:
- Cultural Performances:
- Cultural Awareness Talks:
- Cuisine Days:
- Cultural Exhibitions:
- Cultural Exchange Programs:
- Community Outreach:

Cultural Club members also organize workshops where participants can learn traditional arts and crafts from different cultures, preserving and passing down these artistic skills.

Yamuna Biodiversity Park

(21.03.2023)

During the walk, students had the opportunity to explore different ecosystems, including wetlands, grasslands, and forests. The ranger provided insights into the various plant species, their ecological roles, and the park's conservation efforts. One of the highlights of the visit was bird watching. The park is a haven for avian species, and students were fortunate to spot several indigenous and migratory birds. Binoculars and bird identification guides were provided, enhancing their bird-watching experience.

Tree Plantation Drive

The tree plantation drive, organized by the ECO Club aimed to promote environmental conservation, combat deforestation, and enhance the local ecosystem by planting a significant number of trees. The initiative saw active participation from Ashtavakra students, community members, volunteers, and local authorities. Beyond the environmental advantages, tree planting can have social benefits by bringing communities together, creating jobs, and enhancing the quality of life in an area.

Van Mahotsav

(28/07/2022)

The annual "Van Mahotsav Day" was organized by the Ashtavakra Institute of Rehabilitation Sciences and Research on 28th July 2022. The day was celebrated as part of the "Go Green" initiative of the Eco-club. This event began with the planting of samplings. The students showed great eagerness while planting the sampling.

They were told about the importance of each sampling that was planted and were given simple instruction on how to take care of the same. Poster making competition was also organized on the theme "Let us plant a tree, let us plant a hope. The curiosity to learn and the will to create a change were clearly seen in the

efforts of the students. They also learned that "Van Mahotsav" is celebrated at the onset of monsoon because sampling planted during this period have a greater chance of survival. These various activities helped to instill the value of social responsibility in the students.

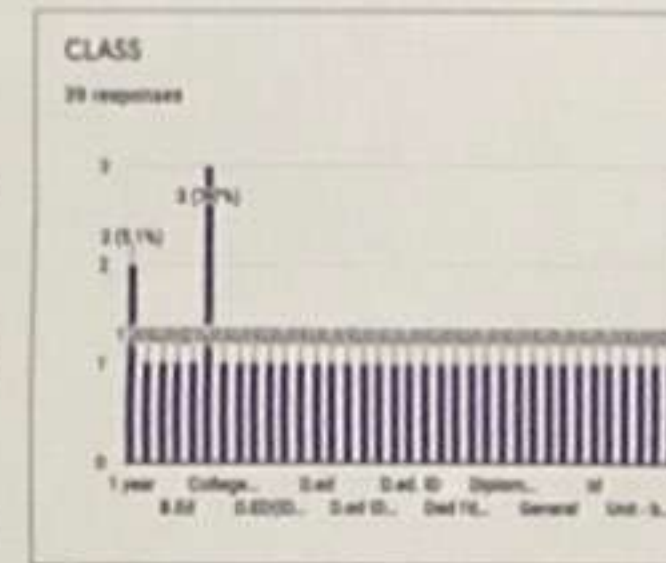

FIT INDIA YOUTH CLUB

Fit India Freedom 2.0

(13th Aug 2021 - 2nd Oct 2021)

Fit India Freedom Run was organized on 13th August 2021 - 2nd October 2021. The idea was to provide insight and create awareness among the students. Due to the current scenario of Covid19, the survey was organized virtually by taking part in this event from their home. The event tells about various topics such as importance and benefits of physical activities, intensity of physical activities, healthy food items for our body, various lifestyle diseases associated with unhealthy food habits and lack of physical activities such as heart attack, atherosclerosis, stroke, and high blood pressure. It also includes a case study to understand the concept better. Overall programme was very informative and the event was a great success in this hour of COVID-19 pandemic with the help of Google form.

ELECTORAL LITERACY CLUB

National Voters Day 25th Jan, 2022

The Electoral Literacy Club (ELC) is a student-led initiative aimed at promoting electoral literacy and awareness among young citizens. It is often organized in educational institutions and community centers to engage students and youth in understanding the electoral process, the importance of voting, and the significance of active participation in a democratic society.

The club conducts various events like Voter Registration Drives: Voter Education Workshops: Mock Elections: Debates and Discussions: Guest Lectures by Election Officials: Voting Awareness Campaigns: Information Dissemination: Mock Parliament Sessions: Electoral Quizzes and Competitions: Encouraging Ethical Voting Practices: Engaging with Local Election Authorities: Observing Election Days:

Ashtavakra Institute of Rehabilitation and Sciences organized a Pledge taking Ceremony, where students as well as teachers participated in it. This voter's day was celebrated by number of colleges, schools and offices across the nation, including stations area, divisions, sub division, district and state headquarter, to make this day remarkable. The objective behind this celebration is to spread awareness about importance of voting, encourage more people to maximize the enrollment in a way to promote informed participation in the electoral process. On this pledge taking ceremony all individual get connected with the network take pledge as the responsible citizen of India.

Motivator's Invite: India needs to change its Electoral Voting System (09.2.22)

The contest aimed to educate students about the importance of vote through the theme titled "India needs to change its Electoral Voting System". The event begins with the facilitation of the speaker. The motto and objectives of the event were discussed in the speech and it reflects the profound knowledge on the topic and the procedure of voting was also mentioned. Thereafter, Q&A session began and students raised their queries related to the subject and made the event more interactive.

Debate Competition: Knowing your Candidate (11.03.22)

Ashtavakra Institute of Rehabilitation Sciences and Research organized an Electoral-Club activity to gain clarity of their own thoughts. This activity is organized to see students thinking skills, listening abilities and evolve thinking and come to a solution for a given topic. Debate prepares students to work in a global community by teaching them about social, political & moral issues. Students enthusiastically participated in debate activity and presented their views on the topic by giving examples from real life situations. The event was quite successful for all the participants.

National Service Scheme (NSS)

The National Service Scheme (NSS) is a voluntary public service program that aims to develop the personality and character of students through community service. The NSS is focused on fostering social responsibility, promoting community engagement, and inculcating a sense of empathy and service among young people.

NSS activities typically involve projects related to health, education, rural development, environmental conservation, and other social issues. Participants engage in activities like conducting literacy programs, blood donation camps, cleanliness drives, tree planting initiatives, and awareness campaigns on various social issues.

World Ozone Day

Ashtavakra Institute of Rehabilitation, Sciences and Research celebrated the World Ozone Day on 16th September to spread awareness among the students about how crucial the ozone shield is for the life on Earth, its gradual depletion and the need to search for possible solutions to preserve it. This year theme for the International Day for the prevention of the Ozone layer is "Global Cooperation Protecting Life on Earth" The Montreal Protocol's impact is recognized with this theme and brings to notice the 'need to act

in collaboration, forge partnerships and develop global cooperation to address climate challenges and protect life on earth for future generations. The students took part in a various activities, including PowerPoint presentation, Poster making competition, Preparation of 3D Model and skit highlighting the need of the ozone layer protection. All the Students and staff members of AIRSR participated in this activity with full enthusiasm and showed utmost dedication.

National Postal Day (11th October 22)

Postal day was celebrated on 11th October 2022, at Ashtavakra Institute of Rehabilitation, Sciences and Research with great enthusiasm. Students and staff members of DB department participated in this activity with full enthusiasm and showed utmost dedication. The theme of "postal week" On this special day various activities including slogan writing competition, Poetry and speech, Poster making competition was organised. Due to the current scenario of Covid-19, our students maintained proper social distancing measures by taking part in this event from their home. The online event began with an informative speech about the posts by Mr. Harish Kumar and Mr. Vikas Kumar. They spoke about the importance of Postal services which are also valuable to the government of some countries. It is useful especially to places that are hard to reach.

They even send packages and parcels from one post office to another. Thereafter the students of the DEd. SE. DB expressed their view about Indian posts and all the students actively participated in the event. Overall programme was very informative and the event was a great success in this hour of COVID-19.

World Bicycle Day

AIRSR, Rohini celebrated World Bicycle Day (WBD) on 3rd of June, 2022. The day is associated with promoting a healthy life style. 60 students from all the department participated in the event with great enthusiasm. Cycling started from College Campus across the District Park Rohini. The bicycle contributes to cleaner and less congestion and makes education, health care and other social services more accessible to the most vulnerable population. Regular physical activity of moderate density such as cycling has significant benefits for health. AIRSR also organized a Poster Competition on World Bicycle Day with a theme "Cycling, wheels for well-being". Students from different department participated in the said event and make posters to express their awareness about the importance of cycling. The objective of the competition was to ignite the imagination and creativity in the students. The young learners displayed their artistic skills through an array of Posters.

being, and to commemorate World Health Day, an awareness program was organized with the aim of educating and inspiring individuals to prioritize their health and contribute to global health goals and to encourage individuals to adopt healthier lifestyles.

World Health Day

World Health Day is celebrated annually on April 7th to mark the founding of the World Health Organization (WHO) and to raise awareness about global health issues. We at AIRSR recognizes the importance of promoting health and well-

Awareness Campaign on World Braille Day

On the world Braille Day various activities including Slogan writing completion, braille writing, braille reading, speech and Poster making competition was organized. Due to the scenario of Covid-19, students maintained proper social distancing measures by taking part in this event from their home. The day aims to recognize the right of access to braille by blind people and raise awareness of the importance of braille as a means of communication in the

full realization of the human rights for blind and partially sighted people. Braille is a tactile language used by blind and partially sighted people. Combinations of raised dots represent each letter and number, and even musical, mathematical and scientific symbols, so that books and periodicals can be read through touch. The Students of the D.Ed.SE.VI and D.Ed.SE.DB one by one expressed their views about World Braille Day.

Webinar cum CRE Programme On "Application Technology in teaching and training of Persons with Disabilities during COVID-19 situations in India" (18-19 January 2022)

Webinar helped to update and upgrade the knowledge and skills of personnel's and professionals on application of technology. To upgrade knowledge on teaching of persons with disabilities during Covid-19 situation and it also encourage scientific contribution on technology used in teaching. The webinar also talks about facilitating research in the field of technology used in teaching especially for children with disabilities. The CRE programme provides an appropriate platform to all academicians, intellectuals, researcher, scientists etc. for capturing and sharing expertise on the concept of subject teaching. They also had a discussion on various technologies used in the field of education in India as well as abroad during covid-19 situation.

Webinar on Save Girl Child (24 January 2022)

Ashtavakra Institute of Rehabilitation Sciences And Research held a virtual webinar on 24th January 2022. The event included several activities like poster making, PowerPoint presentation, slogan writing, poem recitation etc. Everyone was encouraged through digital claps and emoticons. This webinar primarily helped everyone to understand that unless the citizens of India themselves wake up to the need, the evil of female foeticides and the other such malpractices targeting the girl child shall not vanish from the society. It was interesting to know the importance of save girl child. NSS participated in this activity with full of passion and showed utmost zeal and enthusiasm.

Teacher's Day Celebration (05-09-22)

We celebrate teacher's day on 5th September every year to pay tribute to Dr. Radhakrishnan who was our second president and also to all the teachers who work selflessly to educate the students. On this day various activities were planned such as Dance competition, Fancy dress competition, poster making and slogan making. The event also pays tribute to the best quality of every teacher and to cherish the contribution of teachers in our lives. The students actively participated in all the activities. The program was a great success.

Iconic Week Celebration

The "Swachhta Everyone's Business" is the most significant cleanliness campaign by the Government of India. It's the responsibility of all citizens to keep their surrounding clean. The students of Ashtavakra initiated "one step towards cleanliness" and students were engaged in cleaning the temple, park, hospitals, streets etc.

(8-14 August 2022)

Visit to Plastic Vikalp Mela

(01-7-22)

Plastic vikalp mela was a 3 day mela which took place at Tyagraj stadium, where there were numerous stalls showcasing the alternative of plastic. They sold paper bags, cloth bags, wooden materials, clay materials, pottery etc. The stall owners who were mainly entrepreneurs, villagers and manufacturers came up with the new ideas for the alternate use of plastic. Many activities were observed by our students such as Group singing, nukkad natak, panel discussion, poems etc. The stall owners and audience were motivated by the words of chief guest for no use of plastic. He also elaborated about the 19 items in total which are banned such as plastic spoons, plastic flags, plastic earbuds, plastic cups, invitations cards etc. All the citizens need to take part to make a better future and make Delhi a pollution free state.

Har Ghar Tiranga Campaign

(05/08/2022)

Har Ghar Tiranga Campaign began with the details shared by Ms. Gangotri in which she elaborated that all the students can upload their pictures on Har Ghar Tiranga website and get featured on the portal. She also briefed about the procedure to download the HarGharTiranga E- certificate from harghartiranga.com. Mrs. Sanjana Mittal, Deputy Director of Ashtavakra Institute of Rehabilitation Sciences & Research addressed the participants to support the Har Ghar Tiranga initiative by hoisting or displaying the National Flag at their homes, and by using the tricolor as social media display pictures. She highlighted the

Hindi Diwas

(14/09/2022)

The event began with note presented by Ms Sanjana Mittal; Head Student Welfare in which she elaborated some of the interesting facts about Hindi language like Hindi is the most spoken language in India. About 78% of the people of the country speak and understand Hindi. The word Namaste is the most commonly used word in the Hindi language. The first web portal of Hindi came into existence in 2000, since then Hindi started making its mark on the Internet, which has now gained momentum. Hindi is one of the 7 languages in India that is used to create a web address (URL). In 1918, in Hindi Sahitya Sammelan, Mahatma Gandhi for the first time talked about making the Hindi language as a national language. Gandhiji also called Hindi as the language of the public. On 26 January, 1950, Hindi was recognised as an official language in Article 343 of the

Constitution. Every year from 14 September to 21 September, Rajbhasha Week or Hindi Week is celebrated on the occasion of Hindi Diwas. The Students of Ashtavakra depicted the importance of Hindi through posters and slogans. The event was a great success.

fact that HarGharTiranga campaign is introduced by Government of India as a part of Azadi ka Amrit Mahotsav. She said that a "Naya Bharat" is being built under Prime Minister Shri Narendra Modi Ji leadership, since 2014. She urged students to participate in the Har Ghar Tiranga campaign with more enthusiasm and show the world that India has emerged from slumber and is on the way to become a vishwaguru.

Webinar on Autism Spectrum Disorder, Innovative Teaching Practices for children with ASD.

(15-03-22)

Ashtavakra Institute of Rehabilitation Sciences and Research organized a webinar on Autism Spectrum Disorder, Innovative Teaching Practices for children with ASD. Webinar was very informative, it provided brief knowledge about Autism spectrum disorder and also about provision of remedial, educational, training, employment, respite residential, welfare and social services as well as legal rights and the protection for children with ASD. Students learn about innovative teaching practices for children with ASD and also the diagnostic criteria for autism spectrum disorder.

Workshop on Fire Safety Drill

(17.03.23)

The workshop aimed to raise awareness about fire safety, educate participants on emergency response procedures, and provide hands-on experience through practical drills. Participants were given the opportunity to use fire extinguishers under the guidance of trained instructors. This hands-on exercise allowed them to gain confidence in using this critical safety equipment. Simulated fire drills were conducted, focusing on safe and efficient evacuation procedures. Participants practiced evacuating from various scenarios, including a workplace and a residential setting.

Medical Camp

Ensuring the health and well-being of students is a top priority for us. In line with this commitment, AIRSR organized a Medical Camp for students with the primary objective to provide students with access to essential healthcare services, promote health awareness, and address any medical concerns they might have. Students underwent general health check-ups, including measurements of blood pressure, pulse rate, and temperature. Body Mass Index (BMI) was calculated for each student to assess their weight status. Optometrists conducted eye examinations to detect vision problems. Dentists examined students' oral health and provided advice on dental hygiene.

Green Holi

"Eco friendly Holi"

(17.03.22)

Ashtavakra Institute of Rehabilitation Sciences and Research celebrated Holi with new zeal and fervor. It turned out to be a day full of colors, excitement and wishes. The highlight was the eco-friendly way of Holi celebration. Flowers and traditional gulaal were used by the students and teachers. All the students and staff members came together with the festive energy and wished for happiness and prosperous day for all. Eco-friendly way of Holi celebration put a ban on harmful and toxic colors and promotes usage of natural colors made from dry flowers, leaves, chandan, turmeric and henna.

Functional vision Assessment webinar

(24-03-22)

Ashtavakra Institute of Rehabilitation Sciences and Research organized a Webinar on Functional vision Assessment in which the speakers highlighted about the techniques of conducting vision assessment and also talked about the advanced technologies for dealing with Functional Assessment of vision. It was followed by an open discussion, after that the students cleared their doubts in the Q/A session. All the students were able to understand the importance of functional vision assessment and its skills. Overall it was very interesting and fruitful session for all.

World Autism Awareness Day

(02-04-22)

For the event, chief guest was Mrs Sanjana Mittal and Mrs. Saraswati Sharma who made the event more spirited. During the event "Autism Awareness Day" the students of B.Ed (ASD) batch took out a rally on Autism Awareness and a role play "Pehchan" was organised. All the students of B.Ed (ASD) participated in autism awareness day with full of enthusiasm. The programme was conducted by Ms. Madhu Aloria together with Ms. Anupma Gupta. In the guidance of respected teachers all participants conducted this activity with full of passion and showed utmost zeal and enthusiasm.

Independence Day Celebrations

To honor the spirit of our nation, AIRSR celebrated the Independence Day on Wednesday, 10th, August, 2022 with great joy. On this day the sense of happiness and pride could be clearly seen on the faces of all the students as India was celebrating its 76th Independence Day. The program started with full enthusiasm. ASD lead the program under the guidance of our respected teachers by holding the responsibility of anchoring. The flag was hosted, and everyone sang the National Anthem. After that, students performed on different cultural programs like dance, song, nukkadnatak, followed by short stories of Independence and B. Ed HI students also recited a poem on how we got freedom from Britishers.

Self Defence Training Workshop

Recognizing the importance of equipping individuals with self-defense techniques, AIRSR, conducted a Self-Defense Training Workshop to empower participants, especially women and vulnerable individuals, with practical self-defense techniques. To increase awareness about personal safety and the importance of self-defense skills and to build self-confidence and resilience among participants and also to create a safe and inclusive environment for learning and skill development.

International Week of Deaf and Sign Language Day

(19th -25th Sept 2022)

Every year AIRSR celebrates the International Week of the Deaf (IWD) and Sign Language in the last week of September. The theme of the 2022 International Week of Deaf People is "Sign Language Unite US!" This year AIRSR conducted various activities to promote the sign language. Mrs. Sanjana Mittal has started the program with her speech on the importance of sign language. All the students of HI department have participated. AIRSR

also organized various activities like 'poster making', 'video making' and Speech on 23rd September 2022. All the students have uploaded the videos on their social networking websites to create awareness about sign language. All the students made posters to create awareness about the sign language.

Teacher's Day Celebration

We celebrate teacher's day on 5th September every year to pay tribute to Dr. Radhakrishnan who was our second president and also to all the teachers who work hard to so that their the students to learn. On this day various activities were planned such as Dance competition, Fancy dress competition, poster making and slogan making. The event also pays tribute to the best quality of every teacher and to cherish the contribution of teachers in our lives. The students actively participated in all the activities. The program was a great success amidst Covid-19.

World Autism Awareness Day (02-04-21)

The event began with an intensive discussion on the challenges faced by the children with autism. After an open discussion there was an awareness program regarding facts on Autism. Students participated enthusiastically in the awareness program. Every year we celebrate World Autism Awareness day on 2nd April. Throughout the month we focus on sharing stories and providing opportunities to increase understanding and acceptance of people with autism and

fostering a huge support. The purpose of the event is to make people aware, understand and accept fellow individuals with autism and extend them support and also to celebrate and reinforce achievements of humanity.

Swachhata Pakhwada Cleanliness drive

(3rd August 2021)

Students and staff members of DB department participated in this activity with full enthusiasm and showed utmost dedication. The theme of Swachhata Pakhwada is cleanliness drive on this special day various activities including slogan writing competition, poetry, and cleanliness drive. Due to the current scenario of covid-19 our student maintained proper social distancing measured by taking part in this event from their homes. Mr. Vikas Kumar spoke about this special day he said clean India mission is a nationwide cleanliness initiative with the sole aim to make India clean, green and healthy. Under this scheme, villages, towns and cities are catered with sanitary facilities like availing portal waters to schools, hospitals and other public places, spreading awareness about the importance of cleanliness. Then after the student of D.ED. SE. DB one by one express their views about cleanliness all the students actively participated in the event. Overall event was very informative.

RashtrayaGaan : 75 Azadi Ka Amrit Mahotsav (09-08-21)

Faculty and Students of Ashtavakra Institute of Rehabilitation Sciences & Research of different department participated this activity with full passion and showed utmost dedication. Everyone enjoyed this event "Azadi Ka Amrit Mahotsav" and sang Rastriyagaan and upload their videos on rashtragaan.in. Everyone received certificate for participating in this monumental occasion by the Government of India. Learning outcome: Unity in Diversity is the speciality of India. It helps bring alive stories of unsung heroes whose sacrifices have made freedom a reality for us and also revisits the milestone, freedom movements etc.

Helen keller day was celebrated at AIRSR to commemorate the 142nd birth Anniversary of Helen Keller. Ms Sanjana Mittal, deputy Director of AIRSR in her speech highlighted the achievements of Helen Keller and elaborated on the hurdles and sacrifices made by her. Mr. Harish Kumar, course coordinator of Deaf blind Dept. cut the cake and congratulated the students for organizing such events' It was followed by quiz on life of Helen Keller which further made the event interesting. Overall the programme was a great success.

Yoga Online Quiz (08/05/2022)

Students of B. Ed ASD, ID, HI participated in the yoga quiz and got to know the importance of yoga and test their knowledge about the benefits of yoga. The awareness about the facts related to yoga are a part of a healthy mind and body and adopting these changes in our lifestyle will lead to a calmer mind and better physical fitness.

Akshay Urja Diwas

Akshay Urja Diwas Awareness Campaign on "Save Energy Feel Energy" celebrated on 20th August by Ashtavakra Institute of Rehabilitation, Sciences and Research. Students and staff members of CP department participated in this activity with full enthusiasm and showed utmost dedication. The theme of Akshay Urja Diwas Awareness Campaign, "Save Energy Feel Energy". On this Special day various activities including Slogan writing competition, Poetry and Plantation drive, Poster making competition was organised. The Akshay Urja Diwas Day was initiated by the Indian Ministry for New & Renewable Energy Sources in 2004. Energy such as Biogas, Solar energy, Wind energy, Hydroelectrical power is a few examples of Akshay Urja. The main motive of Akshay Urja Diwas is to make people aware that they have to think about renewable energy (Akshay Urja) apart from traditional energy. Thereafter the Students of the DEd. SE.CP one by one express their view about Akshay Urja Diwas and all the students actively participated in the event.

Awareness on Menstrual Health Management

On 26th March 2022 Ashtavakra Institute of Rehabilitation Sciences and Research organized an awareness programme on Menstrual Health Management in which B.Ed. students enthusiastically participated. This programme highlighted the main issues that still exist in the society and to change negative mindsets of people surrounding menstrual hygiene around the world, so that girls/women feel empowered to manage their period safely, hygienically and without embarrassment. To support this belief our students and staff also created a free tool kit to help schools across the globe to raise awareness and educate students about periods and good menstrual hygiene. All the students were able to provide moral support to girls and speaking knowledge to other sectors of the population so that menstruating girls are not treated as outcasts.

100 days countdown to International Yoga Day

The event began on 9-05-2022 at 9:00 AM, everyone gathered at District Park. The students started with breathing exercises and ended with relaxation exercises. This gave everyone a calm mind to have a fresh start of their day. On 23-05-2022 a workshop on Yoga asana was conducted in the college campus. Students were made aware of the facts related to yoga. Students were told benefits of healthy mind and body. They were further told about making changes in our lifestyles which will lead to a calmer mind and better physical fitness. On 8-06-2022 an online Quiz competition was organized. Through this quiz the students got to know the importance of Yoga and got their knowledge tested regarding various asana and mudras. The final day, 21-06-2022 International Yoga Day saw a massive participation of students. Students and teachers from every department performed yoga. This helped students to know the importance of yoga and various asana. Everyone performed breathing exercises, stretching exercises and relaxation exercises.

"Ek Bharat Shreshth Bharat" is a slogan and initiative launched by the Government of India with the aim of promoting unity, diversity, and cultural exchange among the different states and union territories of the country. The slogan translates to "One India, Great India" in English.

The initiative was introduced on October 31, 2015, on the occasion of the 140th birth anniversary of Sardar Vallabhbhai Patel. The main objective of the "Ek Bharat Shreshth Bharat" program is to celebrate India's rich cultural heritage, linguistic diversity, traditions, and customs while fostering a sense of national pride and fraternity among the citizens.

The program encourages to engage in cultural and educational exchanges to promote a better understanding of each other's culture, language, history, and traditions. It emphasizes the idea that despite having diverse languages, cultures, and practices, all states and union territories are an integral part of a united and strong India. Through this initiative, the government aims to strengthen the bonds of unity and promote the spirit of national integration among citizens. The program encourages people to interact, share experiences, and develop a deeper appreciation for India's rich diversity. Various activities and events are organized under the "Ek Bharat Shreshth Bharat" program, such as cultural exchanges, language learning programs, workshops, seminars, exhibitions, and competitions. These initiatives are intended to create a sense of oneness and togetherness among people from different regions of India and foster a harmonious and inclusive society.

Pledge on water saving

To create an awareness on the importance of water conservation an online event was organised through virtual mode. Students gave presentation of the different methods of water conservation with special reference to rainwater harvesting, watershed management & water purification. On the opening ceremony of this program, Ms. Ashfina Khanam imparted her valuable knowledge regarding water crisis around the globe. In an attempt to sensitize everyone on this issue, a small awareness program was organised where students made posters on water conservation.

On this Special day various activities including Slogan writing Competition, poetry and poster making competition was organized. Due to current scenario of Covid-19, our students maintained proper social distancing measures by taking part in the event through online mode. Students prepared power-point presentations and explained about the importance of being fit.

Beti Bachao Beti Padhao (16th June 2022)

The students presented Nukkad Natak highlighting the theme of female feticide. The act showcased that female's play an important role in the upbringing of the family and society. The Ashtavakra staff and students of ID department participated in this activity with full enthusiasm and showed their dedication. The students were loud enough to give the message. Their performance was appreciated by all. Ms Sanjana Mittal, Dy Director AIRSR congratulated the students for showcasing their talent. The event culminated by the vote of thanks presented by Ms Mala Sharma.

Campus Placement

Webinar on Awareness of Library Services and Open Resources

(30/4/2022)

The program began with the briefing on library resources available for the students like Delnet, Journals etc. It was followed by an elaborated discussion on better library services for users because the Library is the heart of every institute so library staff should provide best library services to the students as well to faculty members. Then after, there was a lecture on Open Resources where the speaker described about the National Digital Library of India and other open access

resources for users. The webinar was attended by 110 attendees comprising of students, faculty and library professionals from different colleges. The Webinar was well coordinated and well received by the attendees. In the end there was a Q/A session where all the doubts and queries of the attendees were answered by our professionals. Overall it was a very informative webinar.

Student's Grievance Redressal Committee (SGRC)

In pursuance to the directions of the Hon'ble Delhi High Court dated 17.05.2019 in WP (Cri.) 793/2017; Guru Gobind Singh Indraprastha University under clause 3(ii) (d) of Statute 24 issues directions vide letter no. GGSIPU/2019-20/Legal/1916 Dt. 23.05.2019.

Institute in compliance of notice vide letter ref. no. GGSIPU/2017-18/1039/Legal Dt.18.07.2017 on the subject: Advisory under Clause 3(ii) (d) of Statute 24 of the GGSIP University. Institute in compliance of same notified as under and necessary action forthwith:-

- a. The teachers and authorities of the Institution should maintain cordial, warm and confidence building relationship with the students in terms of Ordinance No. 32 of the Guru Gobind Singh Indraprastha University Act No. 09 of 1 998. The Institution may also keep watch on such teachers and members of administration who are unable to build up such cordial and respectful relationship with students and appropriate remedial measures in the nature of counseling and short term training may be advised.

Every letter/representation/e-mail in the nature of appeal by students should be attended with reformatory approach and sympathetic consideration. The Institute should inform the parents of the students by writing the letter intimating the shortage of attendance, which should be sent by speed post / registered post. The parent's may also be informed by e-mail or telephonically about such cases.

Institution officials should be absolutely transparent in taking the decision on detention of students so as to avoid any suspicion of whimsical or selective action. The detention list should be displayed at least 10 working days before the commencement of the examination.

- d. Institute has constituted 'Students Grievance Redressal and Welfare Office' which is empowered to receive grievances from students, consider and address them within the framework of the prevailing rules and regulations with the perspectives of the welfare of the students. SGR Committee constituted at the Institute is notified and directed to regularly engage in welfare activities of the students, so as to gain the confidence of the students in its effectiveness and genuineness. Institution SGR Committee is federated with the Directorate of Students' Welfare of the University which may supervise and advise them, actively engage them and assist them in redressing the grievances of the students from time to time.

- e. Any issue relating to arbitrary action, personal vendetta or personal grudges against students by any teacher / authority of the Institute should be earnestly looked into by 'Students Grievance Redressal and Welfare Office' and it should be brought to the notice of Director of the Institute. If the issues are not resolved at the level of institute, the student should be advised to approach the Grievance Redressal Mechanism at the director level of the Institute which shall act as the appellate mechanism.

Code of Professional Ethics & Responsibilities

Code of Professional Ethics & Responsibilities of (Teaching Staff) Excerpts from GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY Act 9 of 1998 [Act, Statutes & Ordinances (amended up to 30th June 2012)], New Delhi; ORDINANCE 32 of:

CODE OF PROFESSIONALETHICS and RESPONSIBILITIES OFTEACHING STAFF).

Clause : 2. TEACHERS AND THEIR RESPONSIBILITIES

2.1 Whosoever adopts teaching as a profession assumes the obligation to conduct himself/ herself in accordance with the ideals of the teaching profession. A teacher is constantly under the scrutiny of his students and the society at large. Therefore, every teacher should see that there is no incompatibility between his precepts and practices. The national ideals of education which have already been set forth and which he/she should seek to inculcate among students must be his/her own ideals.

The profession further requires that the teachers should be **calm, patient and communicative by temperament and amiable in disposition.**

Teachers should:

- Adhere to a responsible pattern of conduct, behavior and demeanor expected of them by the community;
- Manage their private affairs in a manner consistent with the dignity of the profession;
- Seek to make professional growth continuous through study, research, Consultancy, Industrial Liaison's and the use of networking;
- Express free and frank opinion by participation at professional meetings, seminars, conferences etc., towards the contribution of knowledge;
- Maintain active membership of professional organizations and strive to improve standards of education to achieve excellence through knowledge generation and dissemination of the latest techniques in the class;
- Perform their duties in the form of teaching, tutorial, practical, academic and seminar work conscientiously and with complete dedication to develop expertise in their domain;
- Co-operate and assist in carrying out functions relating to the educational responsibilities of the Institute such as: assisting in appraising applications for admission, advising and counseling students as well as assisting in the conduct of Institute examinations, including supervision, invigilation & evaluation; and
- Participate in extension, co-curricular and extracurricular activities including community service to encourage teamwork.
- Strive to bring transparency and equity in his day to day work and generate knowledge to achieve excellence in the field of research.
- Disseminate thought provoking knowledge to encourage students for development of innovative research work.

Clause: 3.0 TEACHERS AND THE STUDENTS

- Teachers should:**
- Respect the right and dignity of the students in expressing their opinion;
 - Deal justly, fairly and impartially with students regardless of their religion, caste, political, economic, social and physical characteristics to reflect transparency and equity;
 - Recognize the difference in aptitude and capabilities among students and strive to meet their individual needs;
 - Encourage students to improve their attainments, develop their personalities and at the same time contribute to community welfare;
 - Inculcate among students scientific outlook and temperament and respect for physical labour and ideals of democracy, patriotism, peace and improvement of environment;
 - Be affectionate to the students and not behave in a vindictive manner towards any of them for any reason whatsoever;
 - Pay attention to only the attainment of the student in the assessment of merit;
 - Make themselves available to the students willingly even beyond their class hours and help and guide students without any remuneration or reward;
 - Aid students to develop an understanding of national heritage and national goals; and
 - Refrain from inciting students against other students, colleagues or administration or any authority.

Clause: 8.0 GENERAL

- Every teacher shall at all times maintain *absolute integrity* and devotion to duty, and also be strictly honest and impartial in all its official dealings.
- Every teacher should at all times be courteous in his dealings with members of public and prompt in his official dealings.
- Unless otherwise stated specifically in the terms of appointment, every teacher is a whole time teacher of the Institute, and may be called upon to perform such duties as may be assigned to him by the Competent Authority, beyond scheduled working hours and on closed holidays. These duties inter-alia shall include attendance at meetings of Committees to which he may be appointed by the Institute.
- Every teacher shall do nothing which is unbecoming of a teacher of the Institute.
- No teacher shall indulge in acts of sexual harassment of any person at his/her work place.
- Every teacher shall observe the scheduled hours of working during which he must be present at the place of his duty.
- Except for valid reason and/ or unforeseen contingencies, no teacher shall be absent from duty without prior permission.

Aggrieved students their parents and others may approach the Head, Students' Grievance Redressal Committee, AIRSR.
Details about Institute's Online Students' Grievance Portal:-
Name of the Portal:- Grievance Redressal Committee
Website:-https://ashtavakra.in/
Link:-https://ashtavakra.in/grievance-redressal-committee/

Clause: 7.0 TEACHERS AND GUARDIANS:

Teachers should:
 Try to maintain contact with the guardians of their students to keep them informed of the state of their ward's academic pursuits, their general conduct or behaviour and interest in cultural and other co-curricular activities etc.
