Brief Introduction about CRC by Mr. Subham, Clinical Assist.

Early Intervention Center

Orientation of Prosthetics & Orthotics Department  
By Mr. Jitendra Kumar Dev

Mall Road  
Manali,  
Himachal  
Pradesh

**Report: Description**

B. Ed. Special Education (ID/SLD/HI) trainees visited CRC and got the orientation of CRC, learned about the functions of CRC and got the direct hand on hands experience about the ministry and the services which CRC use to provide for persons with special needs and explained about the home based interventions.

**Early Intervention Centre:** This centre works on early intervention and this I the model of centre based early intervention where early intervention therapist use to work on developmental milestones and also helps to intervene the detected issues in the child.

Mr. Subham, Clinical Assistant, CRC Sunder Nagar, explained about the **function of CRCs** and about the different **central government schemes** for children's with special needs.

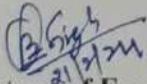

**Report: Description**

Mr. Jitendra Kumar Dev, HOD of Prosthetics & Orthotics Department, explained to the trainees that how they use to prepare the artificial limbs, use and function of artificial limbs, schemes under which they use to organize the camps and use to provide artificial limbs for persons who needs.

In the 17th century, the word mall meant a promenade, a stretch of road where people liked to take long leisure walks. Renowned for its street shopping adventure and bustling with heaps of activities, the Mall Road of Manali lined with multiple restaurants, cafes and a center point for the visitors.

Solang Valley derives its name from combination of words Solang (Nearby village) and Nallah (water stream). It is a side valley at the top of the Kullu Valley in Himachal Pradesh and it is known for its summer and winter sport conditions

Gurdwara Manikaran Sahib is a famous Gurdwara, located in Kullu district, Himachal Pradesh. It was discovered by Baba Narayan Hari. Sri Guru Nanak Dev was with his disciples in the Himalaya mountains and was hungry and there was no food. Shri Guru Nanak sent Bhai Mardana to collect food for langar. Many people in that area donated rice and flour to make prasad (bread). The only problem was that there was no fire to cook the food. Than Nanak ji lifted a rock and a hot spring appeared from that place. The disciples were able to make food with that hot water and till today there are many sources of hot water which peoples use to prepare the foods.
