Report of the Event

An inter house poster making competition on "Water Pollution" was organised on 24th January 2021

by Ashtavakra Institute of Rehabilitation, Sciences and Research with great like every year. Students from the every department participated in this activity with full enthusiasm and showed utmost dedication.

Speaking about the event Mrs. Sanjana Mittal, Deputy Director, AIRSR said, "that the water pollution is a very serious environmental issue that we are facing right now. Water gets polluted when the physical, biological and chemical properties deteriorate due to human activities. Further, water pollution is responsible for impacting the lives of humans and animals as well. It is extremely hazardous to the environment and must be curbed right away. You might think that the water you drink is clean but it contains pollutants. Thus, we need to adopt measures that will help prevent water pollution on a global level for a healthier lifestyle.

Thereafter the Students made beautiful poster on water pollution and expressing their views about water pollution and their posters. Overall programme was very informative and Fruitful.
