Report: Description in (min 150 to max 800 words)*

An awareness program was organized on international Biodiesel Day with the aim of educating and sensitizing the community about the importance of Biodiesel as a sustainable fuel alternative for environment conservation and sustainable practices.

Objectives of the awareness programme :

The central goal of the programme is to increase public awareness about the importance of Biodiesel and their significant role in supporting biodiversity.

The event began with an insightful speech by *Mr. Sandeep Tiwari*, who emphasized the significance of biodiesel in promoting environmental sustainability. He elaborated on how biodiesel can reduce the carbon footprint, mitigate climate change, and support cleaner energy initiatives..

An interactive lecture was conducted by *Mr. prabhat Ranjan* along with students from AIRSR. Lecture covered key topics, such as the role of biodiesel in energy transition, its production process, and how it contributes to reducing greenhouse gas emissions. Participants were actively engaged through informative presentations, and open discussions on how biodiesel can be integrated into daily life and energy policies..

The event concluded with a *thank you speech* delivered by *Miss. Kalyani B.ed. Stutudents Eco Club Volunteer* ., who expressed gratitude to all participants for their active involvement and encouraged them to continue spreading awareness about the importance of biodiesel.
