Objective:-

- To create awareness about climate change and global warming
- To develop the positive attitude towards the environment
- To generate awareness about the World's worst offenders for plastic pollution
- To create awareness about Legal framework for Plastic in India

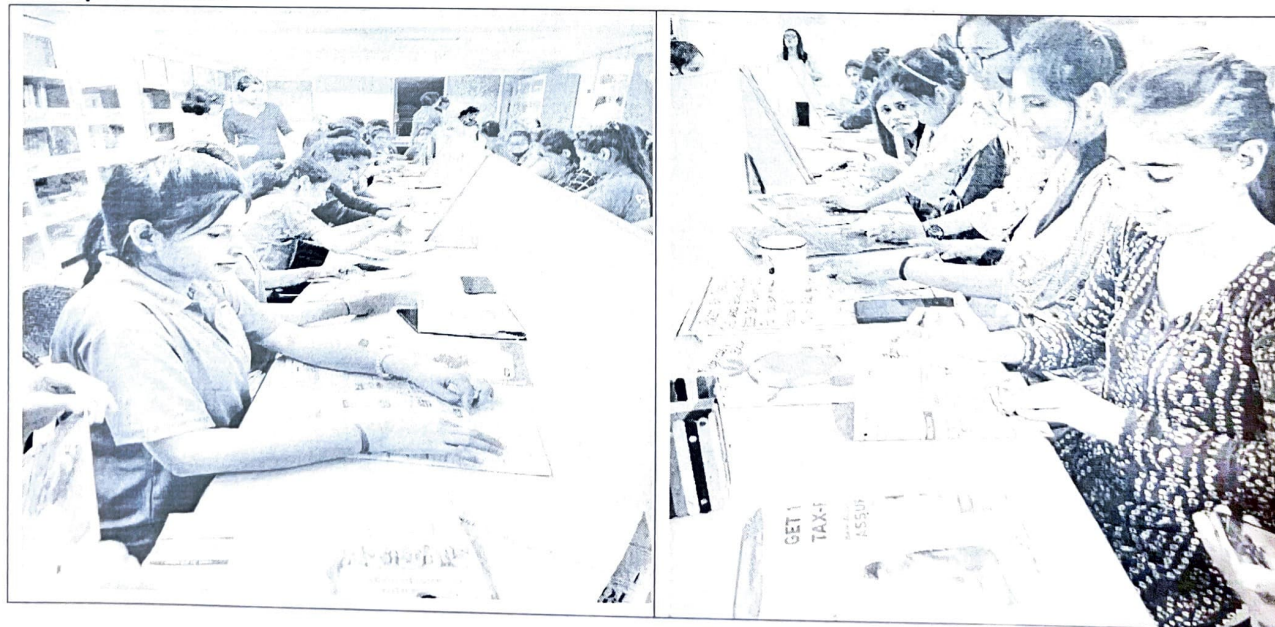

Report

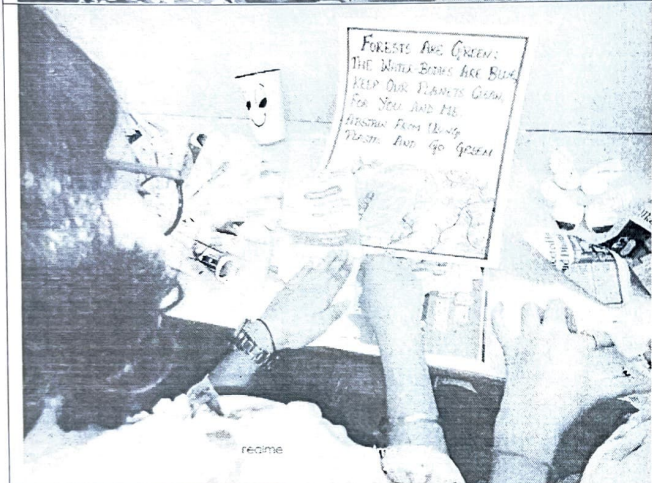

The students of Ashtavakra Institute of Rehabilitation Sciences and Research enthusiastically participated in various activities to commemorate our benevolent Mother Earth. On the occasion of the Earth Day 2022, "INVEST IN OUR PLANET" an array of creative activities was organized with a view to sensitize the students about the conservation of natural resources and to motivate them to do their bit towards making their planet even more beautiful.

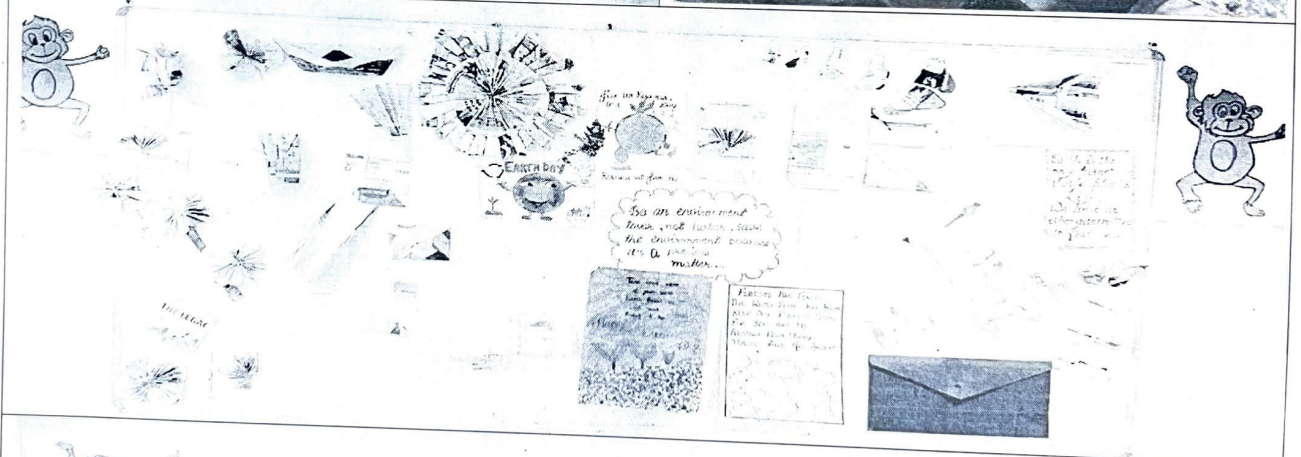

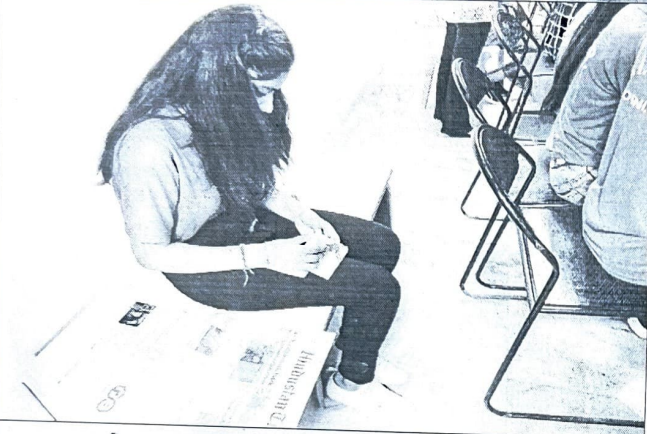

The best part of the day was the Eco-Competition where the participants bring anything made out of reused material. Students made amazing and creative product like wall hanging, Cards, Pen stand, Paper Bag, Paper Box etc. Other activities like Poster Making Competition, Slogan Competition and Essay writing competition gave the students a platform to showcase their artistic and creative skills.

The events of the week rekindled emotive concerns and instigated the youngsters to save, love and respect Mother Nature with all their heart and soul.

Glimpses of Eco

Learning Outcome

- Students learned about climate change and global warming
- Students developed the positive attitude towards the environment
- Students sensitized about the World's worst offenders for plastic pollution
- Students developed understanding about Legal framework for Plastic in India
