Report

Ashtavakra Institute of Rehabilitation, Sciences and Research celebrated the World Ozone Day to spread awareness among the students about how crucial the ozone shield is for the life on Earth, its gradual depletion and the need to search for possible solutions to preserve it. This year's theme for the International Day for the prevention of the Ozone layer is "Global Cooperation Protecting Life on Earth". The Montreal Protocol's impact is recognized with this theme and brings to notice the 'need to act in collaboration, forge partnerships and develop global cooperation to address climate challenges and protect life on earth for future generations. The students took part in a various activities, including PowerPoint presentation, Poster making competition, Preparation of 3D Model and skit highlighting the need of the ozone layer protection. All the Students and staff members of AIRSR participated in this activity with full enthusiasm and showed utmost dedication.
