Report: Description in (min 150 to max 800 words)*

To celebrate World Wetlands Day, an engaging and interactive awareness program was organized to educate and sensitize the community about the importance of wetlands, environmental conservation, and sustainable practices.

The central goal of this initiative was to increase public awareness about the importance of wetlands in supporting Biodiversity, Their function in ecosystem services, such as water purification, flood control, and climate regulation and How wetlands contribute to sustainable development... etc.

The event was started with the introductory speech of Mr. Yesh Singh B.Ed. Asd Student who emphasized the immense value of wetlands for both humanity and the planet. His words set the tone for a thought-provoking session ahead. There after Ms. Preksha and Vanshika Goel Student AIRSR conducted interactive workshop on topics Role of Wetlands for for humanity and the planet.

the workshop was highly engaging, allowing participants to: Explore the role of wetlands in biodiversity conservation, Understand how they serve as habitats for diverse species, Discuss their impact on water regulation and climate balance Participate in an open discussion, case studies, and Q&A sessions

At the end Eco club Nodal Officer Mr. Sandeep Tiwari Summarize the programme and give the thank you speech to all the participants. And say Thank you once again, and let's keep the momentum alive in our collective efforts to protect and preserve our invaluable wetland ecosystems.
