**Report: Description in (min 150 to max 800 words)\***

An awareness program was organized on world wetland Day with the aim of educating and sensitizing the community about the importance of wetlands, environment conservation and sustainable practices.

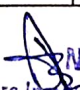

Objectives of the awareness programme :

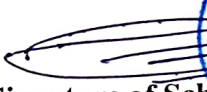

The central goal of the programme is to increase public awareness about the importance of wetlands and their significant role in supporting biodiversity, providing ecosystem services, and contributing to sustainable development..

The event started with the introductory speech of Mr. Sandeep Tiwari in which he emphasized the importance and value of wetlands for humanity and the planet.

Mr. Mohd. Haseeb & AIRSR Students conducted interactive workshop on topics Role of Wetlands for for humanity and the planet. During the workshop they discussed about the role of Wetlands in maintaining biodiversity, providing habitat for various plant and animal species, regulating water flow, and offering numerous ecosystem services, participants engaged through informative presentations, case studies, and open discussions.

The event ended with speech of Mr. Mohd. Haseeb in which he motivated students for continued efforts for conservation of wetlands and emphasized the need for collective action to ensure the long term health and sustainability of these vital ecosystem.
