## National Energy Conservation Day

**Event:** National Energy Conservation Day

**Date:** 14<sup>th</sup> December 2022

**Time:** 1:30 PM to 2:30PM

**Venue:** 101 Conference Hall

**Convenor/In-charge:** Ms. Gangotri (Eco- Club In charge)

### Objective:-

- To drive mass awareness about the importance of energy efficiency and conservation.
- To reduce the use of energy and to encourage people to use it efficiently.
- To use energy judiciously and keep in mind the needs of the future.
- To raise awareness about energy efficiency and its conservation.

### Report

An awareness program on "National Energy Conservation Day" began with welcome address presented by Ms. Gangotri, Eco Club Incharge in which she emphasized the judicious use of energy to minimize wastage and save sources for the future. She also discussed regarding mobile application titled "EV Yatra" developed by the Bureau of Energy Efficiency to facilitate in-vehicle navigation to the nearest public EV charger and promote e-mobility in the country. There after the students of all the departments participated in the activities like poster making competition and making 2 minute video through which they depicted the ways to conserve energy.

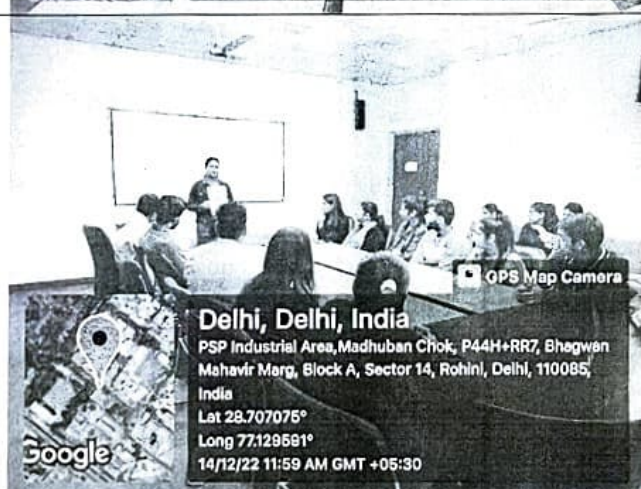

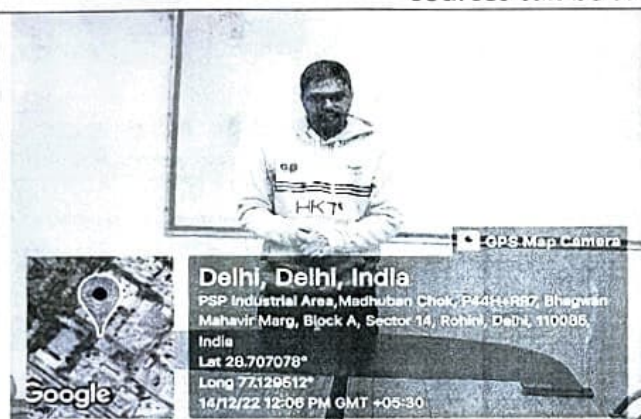

## Glimpses of Eco Club Activity

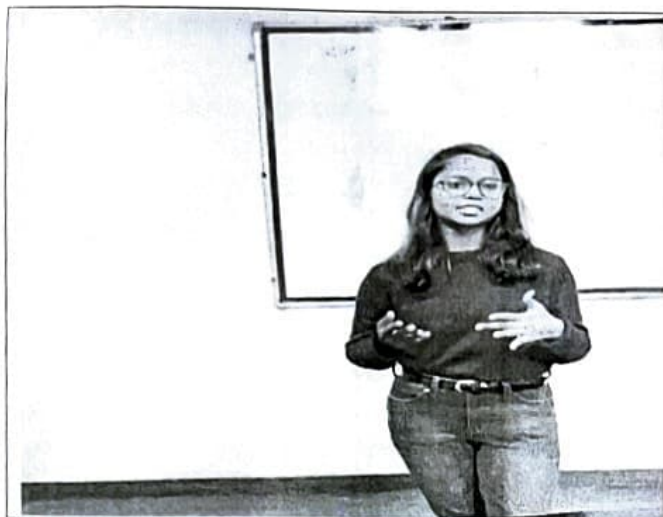

**Poster Making Competition on the Occasion of National Energy Conservation Day**  
Small efforts were made by the students to reduce the consumption of energy so that energy sources can be saved for future use

All the students and staff (Mr. Sumit) explaining the most effective ways to conserve energy and importance of energy conservation.

The students are sharing their experiences and lesson what they learnt from this awareness program.

The Students were participated in the activities allotted to them with enthusiasm and created awareness regarding energy should be saved today for sustainable future. Overall event was very informative.

### Learning Outcome

- The Students learnt about energy conservation.
- The Students learnt about importance of energy conservation
- The Students appreciated the practices and measures to conserve energy
- The Students learnt about the application "EV Yatra".
