Report

On the 5th June 2023, Monday, Ashtavakra Institute of Rehabilitation Sciences organized Environment Day celebrations. The main aim of the event was to increase awareness among students about the importance of the environment and the need to protect it.

The program start by introductory speech on Environment by **Mr. Mohd. Haseeb convener of the event** in which he expressed his views that World Environment Day (WED) is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. It is supported by many Government and non-governmental organizations, businesses, government entities, and represents the primary United Nations outreach day supporting the environment. First held in 1973, it has been a platform for raising awareness on environmental issues as marine pollution, overpopulation, global warming, sustainable development and wildlife crime etc.

There after other The Principal Mrs. Gita Bhutani gave a speech on what role the environment plays and why it is important for people to take initiatives to save the environment, she also shared alarming facts about the changes that might happen in the future due to degradation of the environment.

There after all other teachers express their views one by one and shared their experiences towards environment.

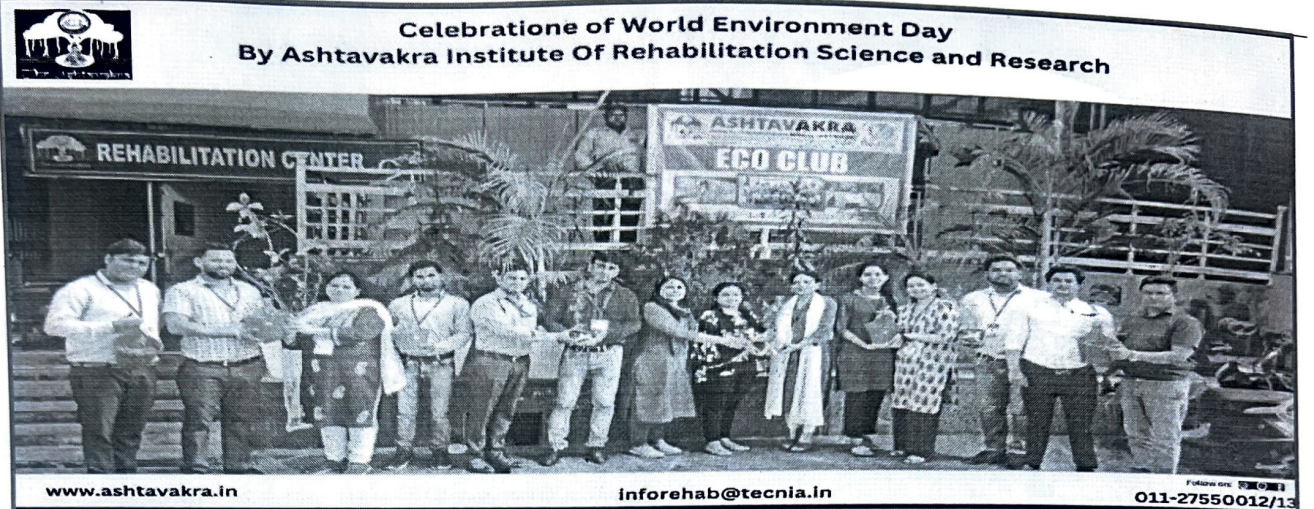

The concluding speech delivered by **Mrs Sanjana mittal Deputy Director AIRSR** in which she delivered a speech on how important it is for the future generations to take care of the environment and preserve it. She says the environment plays an integral role in maintaining the balance of the ecosystem we live in. Most people don't understand the importance of the environment and end up damaging it with their various activities. If we continue to degrade the environment, in the long run, the adverse effects will affect human beings too. So, to protect the environment, one should focus on sustainable development

Then, as a special drive for Environment Day, She announced that students would be planting different trees in the school, and presenting all the teacher and she also planted trees in the school premises and also take an oath unanimously to save the environment.

After this she thanked everyone for their presence and concluded the day's program.
