**Report: Description in
(min250tomax800 words)***

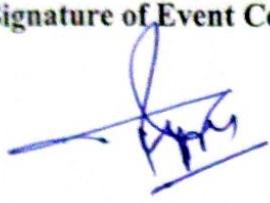

The event started with the speech of Mr. Prabhat Ranjan on Ek Bharat Shreshtha Bharat programme aims to enhance interaction & promote mutual understanding between people of different states/UTs through the concept of Role of Parents of Children with special Needs.

The saying goes, having kids will not only be the most challenging thing you'll do in life, but also the most rewarding. As a parent, you take on a tremendous responsibility for your child's well-being. Everything you do and say helps to shape or hinder your child's development and personality. The job becomes even more challenging when you have a child with special needs.

A parent's role is ever-changing where every day is a new day with a new set of challenges, and a new set of praises as well. You have to give love, support, and guidance to your loved ones through the easy and tough situations throughout their lives. But parents are amazing and with a little help, you can do it and be an excellent parent for your child.

He motivated the students to the search of the EBSB Day Role of Parents of CWSN. The students of B.Ed SE showed their interest and asked their questions without hesitation. The aim of the event was to motivate students and aware them about the EBSB Day.
