**Report: Description in
(min250to max800 words)***

The event started with the speech of Mr. Prabhat Ranjan on Ek Bharat Shreshtha Bharat programme aims to enhance interaction & promote mutual understanding between people of different states/UTs through the concept of state/UT pairing. A contemporary issue refers to a current problem or debate that is happening in the present time. It is an ongoing topic of discussion and often has an impact on society.

The Indian economy is currently facing a number of challenges. These include high levels of inflation, an unstable rupee, and a large current account deficit. In addition, the country faces significant infrastructure needs and a growing population that is increasingly young and educated.

He motivated the students to the search of the EBSB Day. The students of B.Ed SE showed their interest and asked their questions without hesitation. The aim of the event was to motivate students and aware them about the EBSB Day.
