Report: Description in  
(min250to max800 words)\*

The event started with the speech of Mr. Prabhat Ranjan on Ek Bharat Shreshtha Bharat programme aims to enhance interaction & promote mutual understanding between people of different states/UTs through the concept of **"Historical Unity vs. Regional Diversity in India."** The EBSB (Ek Bharat Shreshtha Bharat) initiative, a vision of the Government of India, aims to celebrate the unity in diversity of our country. As part of this initiative, a **debate competition** was organized to discuss one of the most important topics concerning India today—**"Historical Unity vs. Regional Diversity in India."** The event was held on 03<sup>rd</sup> April 2025 at AIRSR, and it aimed to encourage students to understand the delicate balance between India's historical unity and its regional diversity. India is often hailed as a land of diversity, but it is also united by a shared history and collective struggles. This debate offered participants an opportunity to delve into these contrasting ideas and express their views.

He motivated the students to the search of the EBSB Day. The students of B.Ed SE showed their interest and asked their questions without hesitation. The aim of the event was to motivate students and aware them about the EBSB Day.
