EVENT NAME: - WORLD WATER DAY CELEBRATION

Title of Activity*

Save Water

Values

Social/Civil

Learning Outcomes

Awareness on Water Conservation – Participants understood the importance of water conservation and the impact of water scarcity on the environment and daily life.

Innovative Thinking – The water purifier model encouraged creative problem-solving and technical skills in designing sustainable solutions.

Artistic and Expressive Skills – The poster-making and slogan-writing activities helped students express their thoughts visually and creatively.

Teamwork and Collaboration – The event fostered teamwork as students worked together on projects and discussions.

Responsibility Towards Environment – Participants became more conscious of their water usage and pledged to adopt sustainable habits.

Organized by (Dept./ Centre/
Cells/Clubs/ Committees Name)*

NSS Cell

Program Theme*

World Water Day

External Expert / Internal Expert

Ms. Preeti Goyal

Date*

22nd March 2025.

Time*

11:00 A.M – 12:00 Noon

Venue

Conference Room No. 101

Report: Description in (min 250 to max 800 words)*

A **Save Water Day** workshop was organized under NSS Club on **22 March** in the **conference room** from **11 AM to 12 Noon**. The workshop aimed to raise awareness about the importance of water conservation and encourage sustainable practices among participants.

Activities Conducted

1. **Presentation on Water Conservation**

The workshop started with an informative **PowerPoint presentation** on the significance of saving water. It covered topics such as global water scarcity, the impact of wastage, and effective conservation techniques. The presentation also provided real-life examples of water crises and solutions implemented worldwide.

2. **Demonstration of a Water Purifier Model**

A working **model of a water purifier** was showcased, demonstrating a simple yet effective filtration system. The model highlighted different stages of water purification and its practical application in daily life. Participants were actively engaged in understanding its mechanism and discussed how similar models could be implemented in rural areas.

3. **Poster-Making Competition**

To encourage creativity, a **poster-making competition** was conducted, where students illustrated themes related to water conservation. The posters emphasized the importance of reducing water wastage and adopting sustainable habits.

4. **Slogan-Writing Activity**

In addition to posters, a **slogan-writing activity** was held, where participants created impactful slogans promoting water conservation. This helped in spreading awareness through short yet powerful messages.

The workshop successfully educated students on **practical and innovative solutions for water conservation**. The **presentation and model demonstration** played a crucial role in enhancing their understanding, while the creative activities helped reinforce the message. The event concluded with a discussion on how individuals can contribute to saving water in their daily lives.
