Report: Description in (min 250 to max 800 words)*

The Electoral Literacy Club (ELC) organized a debate competition on the theme "*Know Your Candidate*" to encourage students to understand the significance of informed voting. The event was designed to provide students with an opportunity to discuss the essential qualities a candidate should possess, the importance of political awareness, and the role of voters in a democratic setup.

Ms. Jyoti , the esteemed speaker, addressed the B.Ed. students, emphasizing the necessity of making informed electoral choices. She highlighted how understanding a candidate's background, policies, and leadership qualities can lead to better governance and policy-making. She also elaborated on the responsibilities of voters in a democracy, stressing the importance of analyzing manifestos, past performances, and ethical values of candidates before casting a vote.

The debate saw active participation from students, who argued both for and against the parameters that define an ideal candidate. Some participants focused on educational qualifications and experience, while others argued that leadership skills and public service records are more significant. The discussion also touched upon media influence, the role of social media in election campaigns, and the impact of fake news on voter perception.

The session concluded with an insightful Q&A session where students raised questions about the electoral process, voting rights, and the influence of political ideologies on candidate selection. Ms. Jyoti encouraged students to participate actively in democratic processes and contribute towards creating a politically aware society.
