PREFACE

Ashtavakra Institute of Rehabilitation Sciences and Research is a premier institute dedicated to Rehabilitation and health services for the past three decades. Recognized by the Rehabilitation Council of India, under the Ministry of Social Justice and Empowerment, Government of India, the Institute is also affiliated with Guru Gobind Singh Indraprastha University, Delhi, and registered under the PWD Act 1995 and the National Trust.

The Institute offers Bachelor's Degrees in Special Education in the areas of Hearing Impairment (HI), Intellectual Disabilities (ID), Autism Spectrum Disorder (ASD), Visual Impairment (VI), and Learning Disability (LD). Our barrier-free infrastructure ensures accessibility for all and promotes value-based, quality education, training, research, and consultancy in the field of rehabilitation.

With an objective to enhance the professional competencies of individuals engaged in special education and disability rehabilitation, the Institute organized its **8th International Conference (CRE Accredited)** on the theme "**Amplifying the Leadership of Persons with Disabilities for an Inclusive & Sustainable Future**" from **26th to 28th December 2024**.

This international conference provided an enriching platform for academicians, researchers, professionals, and stakeholders to share and discuss their insights on leadership development among persons with disabilities, with a focus on sustainability and inclusion. The sessions included keynote addresses, technical paper presentations, and deliberations by distinguished national and international experts.

We sincerely extend our gratitude to the management, presenters, committee members, coordinators, and faculty members whose dedicated efforts contributed to the grand success of the conference. We are deeply thankful to all the participants for their valuable contributions and hope this gathering met their expectations in terms of learning and professional growth.

We look forward to continuing this journey of knowledge dissemination and inclusive progress in the years ahead.

Mrs. Sanjana Mittal

Deputy Director

(On behalf of Organising Committee)

MESSAGE

It is my pleasant privilege to be a part of **8th International Conference (CRE Accredited) on “Amplifying the Leadership of Persons with Disabilities for an Inclusive and Sustainable future”** from 26-28 December, 2024. at Tecnia Auditorium of Ashtavakra Institute of Rehabilitation Sciences & Research. Tecnia Group of Institutes is highly committed to excellence in education and bringing in a close association between Business, Education and Society.

Differently challenged segment of our society, which is very large in size and beseeched with multi-dimensional problem is highly neglected sector. This segment needs special attention from the society, planners and various government world over. Basic requirement is to empower these individuals towards self-sustenance, which is not possible; unless capability build-up is ensured through special means. Towards achieving this objective, huge forces of specially trained human resources are required. Towards this need, even Government of India has taken various initiatives. To make a beginning, first need is to have reliable data on number of citizens affected with different challenges. Census-2014 was the first effort to consolidate this information on, countrywide basis.

Tecnia group is providing professional training in different disciplines to large number of students, who can in turn facilitate better utilization of various faculties by differently challenged individuals and help them in empowerment of their productivity and also improve their quality of life. We have set admission to establish a global university, which provide special training for the professionals, who are engaged in the management of differently abled people.

I extend my congratulations to Ashtavakra Institute of Rehabilitation Sciences & Research on successful conduct of this conference and I am very sure that conclusions drawn out after the conference would be highly beneficial for all the spectrums of the society viz. planners, implementers and various beneficiaries from the differently abled communities.

Message

Ashtavakra Institute of Rehabilitation Sciences & Research has always been at the forefront of promoting academic excellence and professional development in the field of special education. With a commitment to fostering knowledge, innovation, and inclusivity, the institute continues to provide students and educators with opportunities to enhance their skills and contribute meaningfully to society.

Mr. Mohd Haseeb, Assistant Professor, AIRSR, in his paper on **“Amplifying the Leadership of Persons with Disabilities for an Inclusive and Sustainable Future.”** He emphasized empowering individuals with disabilities through leadership opportunities to promote inclusion and sustainable participation in society.

Mr. Ramtirath Prajapati, Assistant Professor, AIRSR, in his paper on **“Empowering Teachers and Educators through Continuing Rehabilitation Education Programs.”** He highlighted the role of on-going professional development in enhancing educators' skills to support learners with diverse needs effectively.

Mr. Sandeep Upadhayay, Assistant Professor, AIRSR presented his paper on **“Role of Behavior in Children with Disabilities.”** He discussed how understanding behavioural patterns can guide interventions and support the holistic development of children with disabilities.

Ms. Mansa Verma, Assistant Professor, AIRSR, in her article titled **“Building Inclusive Education and Skills Development Pathways: An Integrative Approach to Promoting Equity in Learning.”** she emphasized the need for holistic strategies that combine inclusive education with skill development initiatives.

Ms. Jyoti, Assistant Professor, AIRSR, contributed her article on **“Enhancing Public Awareness and Changing Perception towards Disability.”** She emphasized the role of awareness and advocacy in fostering dignity and equal opportunities for persons with disabilities.

Mr. Dinesh Kumar Bindal, Assistant Professor, AIRSR, in his paper on **“Developing and Promoting Accessible Structures and Environments for an Inclusive and Sustainable Future.”** He focused on creating barrier-free spaces that ensure participation, inclusion, and sustainability for all.

Mr. Sandeep Tiwari, Assistant Professor, AIRSR, in his paper on **“Challenges and Benefits of Inclusive Education for Children with Autism.”** He discussed the barriers faced in inclusive settings as well as the positive impact of inclusive practices on the holistic development of children with autism.

Ms. Preeti Goyal, Assistant Professor, AIRSR, in her paper on **“Exploring the Neurological and Genetic Factors Contributing to Autism Spectrum Disorder (ASD).”** She highlighted recent research on neurological and genetic influences in ASD, aiming to improve understanding and support strategies for children on the spectrum.

Mr. Prabhat Ranjan, Assistant Professor, AIRSR, presented his paper on **“Ensuring Accessibility in Leadership Roles: Building Inclusive Leadership.”** He emphasized the need for accessible and participatory leadership frameworks to promote equity and inclusivity in decision-making.

Mr. Harish Kumar, Assistant Professor, AIRSR, in his paper on **“Inclusive Education for Networking and Collaboration Opportunities.”** He highlighted how inclusive education fosters meaningful connections, partnerships, and collaborative growth among diverse learners and stakeholders.

Ms. Anoushka Sharma, Assistant Professor, AIRSR, presented her paper on **“Harnessing Technology for Accessibility and Innovation.”** She discussed how technological advancements can drive accessibility, enhance learning experiences, and promote innovation in inclusive education. She also highlighted the role of assistive technologies in bridging learning gaps and empowering learners with diverse needs.

Ms. Radha Rani Rawat, Assistant Professor, AIRSR, presented her paper on **“Ensuring Accessibility in All Spheres for Children with Disabilities.”** She highlighted the importance of creating inclusive environments across education, social, and community settings to empower children with disabilities.

Mr. Tarun Pataanjali, Assistant Professor, AIRSR presented his paper on **“Amplifying the Leadership of Persons with Disabilities for an Inclusive and Sustainable Future”** with the subtitle **“Challenging Stigmas and Arising Awareness.”** He emphasized empowering persons with disabilities through leadership opportunities while addressing societal stigmas and promoting awareness for inclusion.

Mr. Vikas Kumar, Assistant Professor AIRSR, presented his paper on **“Empowering Inclusive Leadership.”** He highlighted strategies to develop leadership skills among individuals with diverse abilities, promoting participation, equity, and inclusion in decision-making processes. He also emphasized the importance of creating supportive environments that enable persons with disabilities to take on leadership roles effectively.

Mr. Jitender Srivastava, Assistant Professor, AIRSR presented his paper on **“Building Inclusive Education and Alliances for Inclusive Leadership.”** He focused on fostering collaborative networks and partnerships to strengthen inclusive leadership and educational opportunities for learners with diverse needs.

Mrs. Geeta Bhutani, Principal, AIRSR in her article on **“Supporting Entrepreneurship and Innovation.”** She emphasized fostering entrepreneurial skills and innovative thinking among individuals, highlighting strategies to enable self-reliance, creativity, and inclusive economic participation.

This 8th International Conference provided an appropriate platform to all Academicians, Intellectuals, Researcher, Professionals etc. for capturing and sharing expertise on the Concept of “Amplifying the leadership of persons with disabilities for an inclusive and Sustainable future”

Welcoming of Chief Guest Sh. Rahul Aggarwal, Deputy Director Disability, Department of Social Welfare.

Registration Desk to assist CRE Participants Inaugural Session

Inaugural Session Day 1 (26.12.2024)

The 8th International Conference on the CRE Programme took place from 26th to 28th December 2024, focusing on the theme "Amplifying the Leadership of Persons with Disabilities for an Inclusive and Sustainable Future." The event gathered stakeholders dedicated to enhancing the leadership roles of individuals with disabilities. The inaugural address was delivered by our esteemed chief guest, Sh. Rahul Aggarwal who highlighted the importance of empowerment and collaboration. Ms. Sanjana Mittal, Deputy Director, AIRSR, Rohini, Delhi, also contributed valuable insights on fostering inclusivity. The conference featured various sessions and workshops led by experts in the field. Participants engaged in meaningful discussions, sharing innovative practices and strategies. The collective commitment demonstrated during the event aims to drive significant change towards inclusivity. This conference served as a vital platform for networking and collaboration among advocates and change-makers. The outcomes are expected to influence policies and practices for persons with disabilities moving forward.

Participants Attending the International Conference

Plenary Session 1

For Plenary Session 1, Speakers were Advocate Umesh Kumar Shukla, Ms Kiran Vats, Dr Gunjan Attri and Dr Sangeeta Singh.

Advocate Umesh Kumar Shukla, a former Programme Director and Assistant Legal Advisor at the National Trust, recently delivered a significant lecture on “**Global Advocacy for Disability-Inclusive Leadership**”. His discourse emphasized the urgent need for leaders to confront ableism and promote an inclusive environment where individuals with disabilities can thrive. Advocate Shukla highlighted that disability-inclusive leadership is not just about compliance but involves creating accessible workplaces and policies that empower disabled individuals.

Ms. Kiran Vats, Welfare Officer at the Department of Social Welfare, GNCTD, delivered an insightful lecture on the theme of “**Accessibility in all Spheres**”. She emphasized the critical importance of creating inclusive environments that cater to the needs of individuals with disabilities across various sectors. Vats highlighted that accessibility should extend beyond physical spaces to include digital platforms and communication methods. Her presentation showcased successful initiatives aimed at improving accessibility in public services and community programs. By advocating for comprehensive policies, she aims to foster a society where everyone can participate fully and equally.

Advocate Umesh Kumar Shukla Former Programme Director and Assistant Legal Advisor, National Trust delivering lecture

Ms. Kiran Vats, Welfare Officer Branch Department of Social Welfare, GNCTD delivering lecture

Dr. Gunjan Attri, Principal of The Divine Mother International School, delivered a compelling lecture on **“Public awareness regarding Disability”**. She underscored the importance of fostering a society that recognizes and respects the rights of individuals with disabilities. Dr. Attri highlighted that increasing public awareness can dispel myths and stereotypes associated with disabilities, promoting a more inclusive community.

Dr Gunjan Attri Principal, The Divine Mother International School delivering Lecture

Dr. Sangeeta Singh, Assistant Professor at the University of Allahabad, delivered an impactful lecture on **“Challenging Stigmas and Raising Awareness”**. She emphasized the need to confront societal misconceptions surrounding disabilities, which often lead to discrimination and exclusion. Dr. Singh advocated for educational initiatives that promote understanding and empathy, highlighting the role of awareness in fostering an inclusive environment.

Dr Sangeeta Singh, Assistant Professor, University of Allahabad delivering Lecture

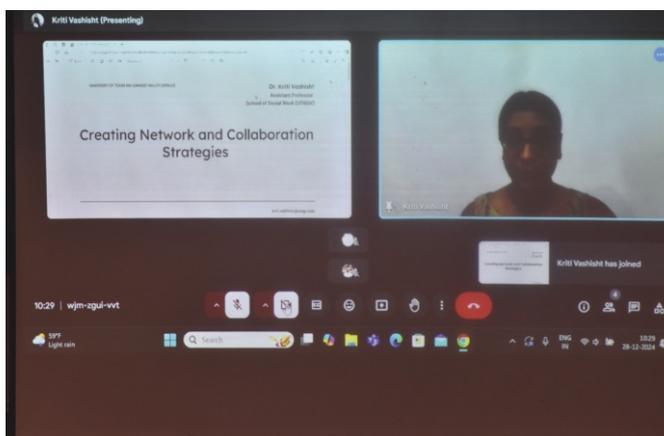

Plenary Session 2

For Plenary Session 2, Speakers were Dr Nishi Phogat, Master Skill Trainer, Global Coach(International Speaker), Dr Smita Mishra, Principal, Kurl Huber School and Dr Kriti Vashist, Assistant Professor, UTRGV School of Social Work, McAllTexas, USA

Dr. Nishi Phogat, a Master Skill Trainer and International Speaker, delivered an enlightening lecture on **“Developing and Promoting Accessible Structures and Environments”**. She emphasized the necessity of designing spaces that accommodate individuals of all abilities, ensuring inclusivity in both public and private sectors. Dr. Phogat highlighted the principles of universal design, which advocate for environments that are usable by everyone without the need for adaptation.

Dr Nishi Phogat, Master Skill Trainer, Global Coach (International Speaker) delivering lecture

Dr Kriti Vashist, Assistant Professor, UTRGV School of Social Work, McAllTexas, USA delivering online Lecture

Dr Smita Mishra, Principal, Kurl Huber School delivering Lecture

Dr. Kriti Vashist, Assistant Professor at UTRGV School of Social Work, delivered an engaging lecture on “**Creating Network and Collaboration Strategies**”. She emphasized the significance of establishing strong partnerships among various stakeholders to enhance community impact. Dr. Vashist discussed effective methods for identifying complementary strengths within networks, which can lead to innovative solutions and shared goals.

Dr. Smita Mishra, Principal of Kurl Huber School, delivered a thought-provoking lecture on “**Strengthening Networks and Community Alliances.**” She highlighted the importance of building robust connections between schools and local communities to enhance educational outcomes. Dr. Mishra emphasized that effective collaboration can lead to shared resources, knowledge exchange, and mutual support among stakeholders.

Participants Attending the International Conference

Mrs. Sanjana Mittal, Deputy Director, Ashtavakra Institute of Rehabilitation Sciences And Research delivering the Votes of Thanks.

Inaugural Session Day 2 (27.12.2024)

On December 27, 2024, the 8th International CRE Conference was inaugurated by a distinguished panel of speakers, including Ms. Manjula Rathi, Secretary AICB, Rohini, Delhi; Dr. Swati Sanyal, Associate Professor at the Blind Relief Association, Delhi; Dr. Shashi Bhushan, Associate Professor and Consultant Psychiatrist at Maharaja Agrasain Hospital and Saroj Hospital; Mr. Narender Jha from Durgabai Deshmukh College of Special Education; and Ms. Mandeep Kaur, Rehabilitation Psychologist. The opening ceremony set a tone of collaboration and innovation as these leaders shared their insights on critical issues related to disability and rehabilitation. Their collective expertise underscored the importance of fostering inclusive practices and developing effective strategies to support individuals with disabilities. The conference aimed to create a platform for meaningful dialogue and exchange of ideas that can lead to impactful change in the field.

Lamp Lighting on Day 2 of International Cre Programme on “Amplifying the leadership of Persons with Disabilities for an Inclusive and Sustainable future”
