Every year AIRSR celebrate World Hearing Day . The theme of the 2025 World Hearing Day is " Changing mindsets: Empower yourself to make ear and hearing care a reality for all!

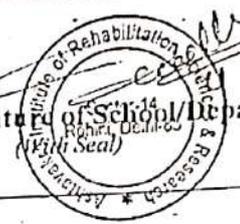

" This year AIRSR conducted various activities to promote the awareness about how we should take care our Ear and the importance of Hearing. Mrs. Sanjana Mittal initiated the program with her speech highlighting the importance of Hearing in our life and how a human can prevent hearing loss after that B.Ed SE III students i.e. Afsana give her speech on the present theme . All the students of III department participated in the various activities like 'poster making', Presentation, 'Nukkad Natak'. All the students uploaded the poster on their social networking websites to create awareness about hearing and the students perform a nukkad natak to create awareness about the importance of hearing and ear.

The purpose of the celebrate this event was to enhance the students' understanding of Hearing and provide them with the deeper knowledge that if we did not care our ear then how it will create problems and affect our lives.

Key points of awareness created by Students

- Good hearing and communication are important at all stages of life.
- Hearing loss (and related ear diseases) can be avoided through preventative actions such as: protection against loud sounds; good ear care practices and immunization.
- Hearing loss (and related ear diseases) can be addressed when it is identified in a timely manner and appropriate care sought.
- People at risk of hearing loss should check their hearing regularly.
- People having hearing loss (or related ear diseases) should seek care from a health care provider.
