The Unnat Bharat Abhiyan (UBA) Day was celebrated on 11th November 2025 by the UBA Club of Ashtavakra Institute of Rehabilitation Sciences and Research with the objective of creating awareness among students about the vision of rural development and community engagement envisioned under the UBA initiative.

The programme commenced with an introductory session highlighting the objectives, significance, and scope of Unnat Bharat Abhiyan. Faculty coordinators addressed the students and explained the role of higher educational institutions in bridging the gap between academic knowledge and rural realities. Students were encouraged to actively participate in nation-building activities through community-oriented programmes.

Various activities such as student interactions, discussions, awareness talks, and presentations were organized to sensitize students towards rural socio-economic challenges, sustainable development, and inclusive growth. Emphasis was laid on understanding the importance of adopting villages and contributing to their holistic development through education, health, sanitation, and livelihood

support.

The celebration provided a platform for students to share ideas and perspectives on how they can contribute meaningfully to rural upliftment. The programme also motivated students to participate in future UBA activities such as village surveys, awareness drives, and need-based interventions.

Overall, the UBA Day celebration was a meaningful and enriching experience that fostered social responsibility, leadership, and civic consciousness among students. The event successfully reinforced the institute's commitment to community engagement and sustainable development, in alignment with the objectives of Unnat Bharat Abhiyan.
